17. AMOUNT OF CAPITAL STOCK REQUIRED. (SEC. 5138, as amended by act of March 14, 1900.) No association shall be organized with a less capital than one hundred thousand dollars, except that banks with a capital of not less than fifty thousand dollars may, with the approval of the Secretary of the Treasury, be organized in any place the population of which does not exceed six thousand inhabitants, and except that banks with a capital of not less than twenty-five thousand dollars may, with the sanction of the Secretary of the Treasury, be organized in any place the population of which does not exceed three thousand inhabitants. No association shall be organized in a city the population of which exceeds fifty thousand persons with a capital of less than two hundred thousand dollars.

18. **SHARES OF STOCK.** (SEC. 5139.) The capital stock of each association shall be divided into shares of one hundred dollars each, and be deemed personal property, and transferable on the books of the association in such manner as may be prescribed in the by-laws or articles of association. Every person becoming a shareholder by such transfer shall, in proportion to his shares, succeed to all the rights and liabilities of the prior holder of such shares.

19. **PAYMENT OF CAPITAL STOCK.** (SEC. 5140.) At least fifty per centum of the capital stock of every association shall be paid in before it shall be authorized to commence business; and the remainder of the capital stock of such association shall be paid in installments of at least ten per centum each, on the whole amount of the capital, as frequently as one installment at the end of each succeeding month from the time it shall be authorized by the Comptroller of the Currency to commence business; and the payment of each installment shall be certified to the Comptroller, under oath, by the president or cashier of the association.

20. **ENFORCING PAYMENT OF CAPITAL.** (SEC. 5141.) Whenever any shareholder, or his assignee, fails to pay any installment on the stock when the same is required by the preceding section to be paid, the directors of such association may sell the stock of such delinquent shareholder at public auction, having given three weeks' previous notice thereof in a newspaper published and of general circulation in the city or county where the association is located, or if no newspaper is published in said city or county, then in a newspaper published nearest thereto, to any person who will pay the highest price therefor, to be not less than the amount then due thereon, with the expenses of advertisement and sale; and the excess, if any, shall be paid to the delinquent shareholder. If no bidder can be found who will pay for such stock the amount due thereon to the association, and the cost of advertisement and sale, the amount previously paid shall be forfeited to the association, and such stock shall be sold as the directors may order, within six months from the time of such forfeiture, and if not sold it shall be canceled and deducted from the capital stock of the association.

21. **RESTORATION OF CAPITAL.** (SEC. 5141.) If any such cancellation and reduction shall reduce the capital of the association below the minimum of capital required by law, the capital stock shall, within thirty days from the date of such cancellation, be increased to the required amount; in default of which a receiver may be appointed, according to the provisions of section fifty-two hundred and thirty-four, to close up the business of the association.

22. **EXAMINATION OF ORGANIZATION PROCEEDINGS.** (SEC. 5168.) Whenever a certificate is transmitted to the Comptroller of the Currency, as provided in this Title, and the association transmitting the same notifies the Comptroller that at least fifty per centum of its capital stock has been duly paid in, and that such association has complied with all the provisions of this Title required to be complied with before an association shall be authorized to commence the business of banking, the Comptroller shall examine into the condition of such association, ascertain especially the amount of money paid in on account of its capital, the name and place of residence of each of its directors, and the amount of the capital stock of which each is the owner in good faith, and generally whether such association has complied with all the provisions of this Title required to entitle it to engage in the business of banking.

23. **CERTIFICATE OF OFFICERS AND DIRECTORS.** (SEC. 5168.) And shall cause to be made and attested by the oaths of a majority of the directors, and by the president or cashier of the association, a statement of all the facts necessary to enable the Comptroller to determine

whether the association is lawfully entitled to commence the business of banking.

Every association, after having complied with the provisions of this Title, preliminary to the commencement of the banking business, and before it shall be authorized to commence banking business under this Title, shall transfer and deliver to the Treasurer of the United States, as security for its circulating notes, any United States registered bonds bearing interest, to an amount where the capital is one hundred and fifty thousand dollars or less, of not less than one-fourth of the capital, and fifty thousand dollars where the capital is in excess of one hundred and fifty thousand dollars. (NOTE.—As amended by sec. 8 of the act of July 12, 1882.)

25. COMPTROLLER'S CERTIFICATE OF AUTHORITY. (SEC. 5169.) If, upon a careful examination of the facts so reported, and of any other facts which may come to the knowledge of the Comptroller, whether by means of a special commission appointed by him for the purpose of inquiring into the condition of such association, or otherwise, it appears that such association is lawfully entitled to commence the business of banking, the Comptroller shall give to such association a certificate, under his hand and official seal, that such association has complied with all the provisions required to be complied with before commencing the business of banking, and that such association is authorized to commence such business. But the Comptroller may withhold from an association his certificate authorizing the commencement of business whenever he has reason to suppose that the shareholders have formed the same for any other than the legitimate objects contemplated by this title.

26. PUBLICATION OF CERTIFICATE OF AUTHORITY. (SEC. 5170.) The association shall cause the certificate issued under the preceding section to be published in some newspaper printed in the city or county where the association is located, for at least sixty days next after the issuing thereof; or, if no newspaper is published in such city or county, then in the newspaper published nearest thereto.

27. NUMBER AND ELECTION OF DIRECTORS. (SEC. 5145.) The affairs of each association shall be managed by not less than five directors, who shall be elected by the shareholders at a meeting to be held at any time before the association is authorized by the Comptroller of the Currency to commence the business of banking, and afterward at meetings to be held on such day in January of each year as is specified therefor in the articles of association. The directors shall hold office for one year, and until their successors are elected and have qualified.

28. QUALIFICATIONS OF DIRECTORS. (SEC. 5146.) Every director must, during his whole term of service, be a citizen of the United States, and at least three-fourths of the directors must have resided in the State, Territory, or District in which the association is located for at least one year immediately preceding their election, and must be residents therein during their continuance in office. Every director must own, in his own right, at least ten shares of the capital stock of the association of which he is a director. Any director who ceases to be the owner of ten shares of the stock, or who becomes in any other manner disqualified, shall thereby vacate his place.

29. QUALIFICATIONS OF DIRECTORS IN OKLAHOMA.—Sec. 17 of the act of May 2, 1890, provides "that the provisions of Title sixty-two of the Revised Statutes of the United States relating to national banks, and all amendments thereto, shall have the same force and effect in the Territory of Oklahoma as elsewhere in the United States:

*“Provided, That persons otherwise qualified to act as directors shall not be required to have resided in said Territory for more than three months immediately preceding their election as such.”*

30. **QUALIFICATIONS OF VOTERS AT ELECTIONS.** (SEC. 5144.) In all elections of directors, and in deciding all questions at meetings of shareholders, each shareholder shall be entitled to one vote on each share of stock held by him. Shareholders may vote by proxies duly authorized in writing; but no officer, clerk, teller, or bookkeeper of such association shall act as proxy; and no shareholder whose liability is past due and unpaid shall be allowed to vote.

31. **OATHS OF DIRECTORS.** (SEC. 5147.) Each director, when appointed or elected, shall take an oath that he will, so far as the duty devolves on him, diligently and honestly administer the affairs of such association, and will not knowingly violate, or willingly permit to be violated, any of the provisions of this Title, and that he is the owner in good faith, and in his own right, of the number of shares of stock required by this Title, subscribed by him, or standing in his name on the books of the association, and that the same is not hypothecated or in any way pledged as security for any loan or debt. Such oath, subscribed by the director making it, and certified by the officer before whom it is taken, shall be immediately transmitted to the Comptroller of the Currency, and shall be filed and preserved in his office.

32. **FAILURE TO HOLD ANNUAL ELECTION.** (SEC. 5149.) If, from any cause, an election of directors is not made at the time appointed, the association shall not for that cause be dissolved, but an election may be held on any subsequent day, thirty days' notice thereof in all cases having been given in a newspaper published in the city, town, or county in which the association is located; and if no newspaper is published in such city, town, or county such notice shall be published in a newspaper published nearest thereto. If the articles of association do not fix the day on which the election shall be held, or if no election is held on the day fixed, the day for the election shall be designated by the board of directors in their by-laws, or otherwise; or if the directors fail to fix the day, shareholders representing two-thirds of the shares may do so.

33. **VACANCIES IN BOARD OF DIRECTORS.** (SEC. 5148.) Any vacancy in the board shall be filled by appointment by the remaining directors, and any director so appointed shall hold his place until the next election.

34. **PRESIDENT SHALL BE A DIRECTOR.** (SEC. 5150.) One of the directors, to be chosen by the board, shall be the president of the board.

35. **ORGANIZATION OF GOLD BANKS.** (SEC. 5185.) Associations may be organized in the manner prescribed by this Title for the purpose of issuing notes payable in gold.

36. **CONVERSION OF GOLD BANKS.**—The act of February 14, 1880, provides that any national gold bank organized under the provisions of the laws of the United States may, in the manner and subject to the provisions prescribed by section fifty-one hundred and fifty-four of the Revised Statutes of the United States, for the conversion of banks incorporated under the laws of any State, cease to be a gold bank and become such an association as is authorized by section fifty-one hundred and thirty-three, for carrying on the business of banking, and shall have the same powers and privileges, and shall be subject to the same duties, responsibilities, and rules, in all respects, as are by law prescribed for such associations: *Provided, That all certificates of organization which shall be issued under this act shall bear the date of the original organization of each bank respectively as a gold bank.*

37. **CONVERSION OF STATE BANKS.** (SEC. 5154.) Any bank incorporated by special law, or any banking institution organized under a general law of any State, may become a national association under this Title by the name prescribed in its organization certificate; and in such case the articles of association and the organization certificate may be executed by a majority of the directors of the bank or banking institution; and the certificate shall declare that the owners of two-thirds of the capital stock have authorized the directors to make such certificate, and to change and convert the bank or banking institution into a national association. A majority of the directors, after executing the articles of association and organization certificate, shall have power to execute all other papers, and to do whatever may be required to make its organization perfect and complete as a national association. The shares of any such bank may continue to be for the same amount each as they were before the conversion, and the directors may continue to be the directors of the association until others are elected or appointed in accordance with the provisions of this chapter; and any State bank which is a stockholder in any other bank, by authority of State laws, may continue to hold its stock, although either bank, or both, may be organized under and have accepted the provisions of this Title. When the Comptroller of the Currency has given to such association a certificate, under his hand and official seal, that the provisions of this Title have been complied with, and that it is authorized to commence the business of banking, the association shall have the same powers and privileges, and shall be subject to the same duties, responsibilities, and rules, in all respects, as are prescribed for other associations, originally organized as national banking associations, and shall be held and regarded as such an association. But no such association shall have a less capital than the amount prescribed for associations organized under this Title.

38. **CAPITAL OF STATE BANKS.** (SEC. 3410.) The capital of any State bank or banking association which has ceased or shall cease to exist, or which has been or shall be converted into a national bank, shall be assumed to be the capital as it existed immediately before such bank ceased to exist or was converted as aforesaid.

39. **CONVERTED BANKS MAY RETAIN BRANCHES.** (SEC. 5155.) It shall be lawful for any bank or banking association, organized under State laws and having branches, the capital being joint and assigned to and used by the mother bank and branches in definite proportions, to become a national banking association in conformity with existing laws and to retain and keep in operation its branches, or such one or more of them as it may elect to retain, the amount of the circulation redeemable at the mother bank and each branch to be regulated by the amount of capital assigned to and used by each.

40. **PERSONAL LIABILITY OF SHAREHOLDERS.** (SEC. 5151.) The shareholders of every national banking association shall be held individually responsible, equally and ratably, and not one for another, for all contracts, debts, and engagements of such association to the extent of the amount of their stock therein, at the par value thereof, in addition to the amount invested in such shares, except that shareholders of any banking association now existing under State laws having not less than five millions of dollars of capital actually paid in and a surplus of twenty per centum on hand, both to be determined by the Comptroller of the Currency, shall be liable only to the amount invested in their shares; and such surplus of twenty per centum shall be kept undiminished, and be in addition to the surplus provided for in this Title; and if at any time there is a deficiency in such surplus of twenty per centum such association shall not pay any dividends to its share-

holders until the deficiency is made good; and in case of such deficiency the Comptroller of the Currency may compel the association to close its business and wind up its affairs under the provisions of chapter four of this Title.

41. **EXCEPTION FOR TRUSTEES, ETC. (SEC. 5152.)** Persons holding stock as executors, administrators, guardians, or trustees shall not be personally subject to any liabilities as stockholders; but the estates and funds in their hands shall be liable in like manner and to the same extent as the testator, intestate, ward, or person interested in such trust funds would be if living and competent to act and hold the stock in his own name.

42. **AMENDMENT OF ARTICLES RESTRICTED.—**Sec. 5139 provides that no change shall be made in the articles of association of a national bank by which the rights, remedies, or security of the existing creditors of the association shall be impaired.

43. **INCREASE OF CAPITAL STOCK. (SEC. 5142.)** Any association formed under this Title may, by its articles of association, provide for an increase of its capital from time to time, as may be deemed expedient, subject to the limitations of this Title. But the maximum of such increase to be provided in the articles of association shall be determined by the Comptroller of the Currency. Sec. 1 of the act of May 1, 1886, provides that any national banking association may, with the approval of the Comptroller of the Currency, by the vote of shareholders owning two-thirds of the stock of such association, increase its capital stock, in accordance with existing laws, to any sum approved by the said Comptroller, notwithstanding the limit fixed in its original articles of association and determined by said Comptroller; and no increase of the capital stock of any national banking association either within or beyond the limit fixed in its original articles of association shall be made except in the manner herein provided.

44. **WHEN INCREASE BECOMES VALID. (SEC. 5142.)** And no increase of capital shall be valid until the whole amount of such increase is paid in, and notice thereof has been transmitted to the Comptroller of the Currency, and his certificate obtained specifying the amount of such increase of capital stock, with his approval thereof, and that it has been duly paid in as part of the capital of such association.

45. **REDUCTION OF CAPITAL STOCK. (SEC. 5143.)** Any association formed under this Title may, by the vote of shareholders owning two-thirds of its capital stock, reduce its capital to any sum not below the amount required by this Title to authorize the formation of associations, but no such reduction shall be allowable which will reduce the capital of the association below the amount required for its outstanding circulation, nor shall any such reduction be made until the amount of the proposed reduction has been reported to the Comptroller of the Currency and his approval thereof obtained.

46. **CHANGE OF TITLE AND LOCATION.—**Secs. 2, 3, and 4 of the act of May 1, 1886, provide:

**SEC. 2.** That any national banking association may change its name or the place where its operations of discount and deposit are to be carried on to any other place within the same State, not more than thirty miles distant, with the approval of the Comptroller of the Currency, by the vote of shareholders owning two-thirds of the stock of such association. A duly authenticated notice of the vote and of the new name or location selected shall be sent to the office of the Comptroller of the Currency, but no change of name or location shall be valid until the Comptroller shall have issued his certificate of approval of the same.

**SEC. 3.** That all debts, liabilities, rights, provisions, and powers of

the association under its old name shall devolve upon and inure to the association under its new name.

SEC. 4. That nothing in this act contained shall be so construed as in any manner to release any national banking association under its old name or at its old location from any liability, or affect any action or proceeding in law in which said association may be or become a party or interested.

47. STATUS OF NATIONAL BANKS ORGANIZED UNDER THE ACT OF FEBRUARY 25, 1863. (SEC. 5156.) That nothing in this Title shall affect any appointments made, acts done, or proceedings had or commenced prior to the third day of June, eighteen hundred and sixty-four, in or toward the organization of any national banking association under the act of February twenty-five, eighteen hundred and sixty-three; but all associations which on the third day of June, eighteen hundred and sixty-four, were organized or commenced to be organized under that act shall enjoy all the rights and privileges granted, and be subject to all the duties, liabilities, and restrictions imposed by this Title, notwithstanding all the steps prescribed by this Title for the organization of associations were not pursued, if such associations were duly organized under that act.

48. UNITED STATES BONDS DEFINED. (SEC. 5158.) The term "United States bonds," as used throughout this chapter, shall be construed to mean registered bonds of the United States.

49. (SEC. 5159 as amended by section 8, act of July 12, 1882.) Every association, after having complied with the provisions of this Title, preliminary to the commencement of the banking business, and before it shall be authorized to commence banking business under this Title, shall transfer and deliver to the Treasurer of the United States any United States registered bonds, bearing interest, to an amount not less than one-fourth of the capital, the capital being \$150,000 or less, as security for their circulating notes. Such bonds shall be received by the Treasurer upon deposit and shall be by him safely kept in his office until they shall be otherwise disposed of in pursuance of the provisions of this Title.

Section 4, act of June 20, 1874, provides in part that the amount of bonds on deposit for circulation shall not be reduced below \$50,000. This determines the amount of bonds required to be deposited by banks organizing with capital stock of over \$150,000.

(See sec. 5159 of the United States Revised Statutes; sec. 4, act of June 20, 1874; sec. 8, act of July 12, 1882, and act of March 14, 1900, as to relation of bond deposit to capital.)

50. **RELATION OF BOND DEPOSIT TO CAPITAL.** (SEC. 5160.) The deposit of bonds made by each association shall be increased as its capital may be paid up or increased, so that every association shall at all times have on deposit with the Treasurer registered United States bonds to the amount required by law. And any association that may desire to reduce its capital or close up its business and dissolve its organization may take up its bonds upon returning to the Comptroller its circulating notes in the proportion hereinafter required, or may take up any excess of bonds beyond the amount required by law, and upon which no circulating notes have been delivered.

51. **EXCHANGE OF BONDS.** (SEC. 5161.) To facilitate a compliance with the two preceding sections, the Secretary of the Treasury is authorized to receive from any association, and cancel, any United States coupon bonds, and to issue in lieu thereof registered bonds of like amount, bearing a like rate of interest, and having the same time to run.

52. **BONDS HELD BY TREASURER.** (SEC. 5162.) All transfers of United States bonds made by any association under the provisions of this title shall be made to the Treasurer of the United States in trust for the association, with a memorandum written or printed on each bond, and signed by the cashier, or some other officer of the association making the deposit. A receipt shall be given to the association, by the Comptroller of the Currency, or by a clerk appointed by him for that purpose, stating that the bond is held in trust for the association on whose behalf the transfer is made, and as security for the redemption and payment of any circulating notes that have been or may be delivered to such association. No assignment or transfer of any such bond by the Treasurer shall be deemed valid unless countersigned by the Comptroller of the Currency.

53. **RECORD OF BOND TRANSFERS.** (SEC. 5163.) The Comptroller of the Currency shall keep in his office a book in which he shall cause to be entered, immediately upon countersigning it, every transfer or assignment by the Treasurer, of any bonds belonging to a national banking association, presented for his signature. He shall state in such entry the name of the association from whose account the transfer is made, the name of the party to whom it is made, and the par value of the bonds transferred.

54. **NOTICE OF TRANSFER.** (SEC. 5164.) The Comptroller of the Currency shall, immediately upon countersigning and entering any transfer or assignment by the Treasurer of any bonds belonging to a national banking association, advise by mail the association from whose accounts the transfer is made of the kind and numerical designation of the bonds and the amount thereof so transferred.

55. **EXAMINATION OF BONDS AND RECORDS.** (SEC. 5165.) The Comptroller of the Currency shall have at all times, during office hours, access to the books of the Treasurer of the United States for the purpose of ascertaining the correctness of any transfer or assignment of the bonds deposited by an association, presented to the Comptroller to countersign; and the Treasurer shall have the like access to the book mentioned in section fifty-one hundred and sixty-three, during office hours, to ascertain the correctness of the entries in the same; and the Comptroller shall also at all times have access to the bonds on deposit with the Treasurer to ascertain their amount and condition.

56. **ANNUAL EXAMINATION OF BONDS.** (SEC. 5166.) Every association having bonds deposited in the office of the Treasurer of the United States shall, once or oftener in each fiscal year, examine and compare the bonds pledged by the association with the books of the Comptroller of the Currency and with the accounts of the association, and, if they are found correct, to execute to the Treasurer a certificate setting forth the different kinds and the amounts thereof, and that the same are in

the possession and custody of the Treasurer at the date of the certificate. Such examination shall be made at such time or times during the ordinary business hours as the Treasurer and the Comptroller, respectively, may select, and may be made by an officer or agent of such association, duly appointed in writing for that purpose; and his certificate before mentioned shall be of like force and validity as if executed by the president or cashier. A duplicate of such certificate, signed by the Treasurer, shall be retained by the association.

57. GENERAL PROVISIONS RESPECTING BONDS. (SEC. 5167.) The bonds transferred to and deposited with the Treasurer of the United States by any association for the security of its circulating notes shall be held exclusively for that purpose until such notes are redeemed, except as provided in this Title. The Comptroller of the Currency shall give to any such association powers of attorney to receive and appropriate to its own use the interest on the bonds which it has so transferred to the Treasurer; but such powers shall become inoperative whenever such association fails to redeem its circulating notes. Whenever the market or cash value of any bonds thus deposited with the Treasurer is reduced below the amount of the circulation issued for the same the Comptroller may demand and receive the amount of such depreciation in other United States bonds at cash value, or in money, from the association, to be deposited with the Treasurer as long as such depreciation continues. And the Comptroller, upon the terms prescribed by the Secretary of the Treasury, may permit an exchange to be made of any of the bonds deposited with the Treasurer by any association for other bonds of the United States authorized to be received as security for circulating notes if he is of opinion that such an exchange can be made without prejudice to the United States; and he may direct the return of any bonds to the association which transferred the same, in sums of not less than one thousand dollars, upon the surrender to him and the cancellation of a proportionate amount of such circulating notes: *Provided*, That the remaining bonds which shall have been transferred by the association offering to surrender circulating notes are equal to the amount required for the circulating notes not surrendered by such association, and that the amount of bonds in the hands of the Treasurer is not diminished below the amount required to be kept on deposit with him, and that there has been no failure by the association to redeem its circulating notes, nor any other violation by it of the provisions of this Title, and that the market or cash value of the remaining bonds is not below the amount required for the circulation issued for the same.

58. AMOUNT OF CIRCULATION OBTAINABLE.—Sec. 10 of the act of July 12, 1882, as amended by act of March 14, 1900, provides that upon the deposit with the Treasurer of the United States, by any national banking association, of any bonds of the United States in the manner provided by existing law, such association shall be entitled to receive from the Comptroller of the Currency circulating notes in blank, registered and countersigned as provided by law, equal in amount to the par value of the bonds so deposited; and any national banking association now having bonds on deposit for the security of circulating notes, and upon which an amount of circulating notes has been issued less than the par value of the bonds, shall be entitled, upon due application to the Comptroller of the Currency, to receive additional circulating notes in blank to an amount which will increase the circulating notes held by such association to the par value of the bonds deposited, such additional notes to be held and treated in the same way as circulating notes of national banking associations heretofore issued, and subject to all the provisions of law affecting such notes: *Provided*, That

the circulating notes furnished to national banking associations under the provisions of this act shall be of the denominations prescribed by law, except that no national banking association shall, after the passage of this act, be entitled to receive from the Comptroller of the Currency, or to issue or reissue or place in circulation, more than one-third in amount of its circulating notes of the denomination of five dollars: *And provided further*, That the total amount of such notes issued to any such association may equal at any time but shall not exceed the amount at such time of its capital stock actually paid in.

59. PREPARATION OF BANK CIRCULATION. (SEC. 5172.) In order to furnish suitable notes for circulation, the Comptroller of the Currency shall, under the direction of the Secretary of the Treasury, cause plates and dies to be engraved, in the best manner to guard against counterfeiting and fraudulent alterations, and shall have printed therefrom, and numbered, such quantity of circulating notes, in blank, of the denominations of five dollars, ten dollars, twenty dollars, fifty dollars, one hundred dollars, five hundred dollars, and one thousand dollars, as may be required to supply the associations entitled to receive the same, as amended by act of March 14, 1900. Such notes shall express upon their face that they are secured by United States bonds, deposited with the Treasurer of the United States, by the written or engraved signatures of the Treasurer and Register, and by the imprint of the seal of the Treasury; and shall also express upon their face the promise of the association receiving the same to pay on demand, attested by the signatures of the president or vice-president and cashier; and shall bear such devices and such other statements, and shall be in such form, as the Secretary of the Treasury shall, by regulation, direct.

60. CIRCULATION SHALL BEAR CHARTER NUMBER.—Sec. 5 of the act of June 20, 1874, provides that the Comptroller of the Currency shall, under such rules and regulations as the Secretary of the Treasury may prescribe, cause the charter numbers of the associations to be printed upon all national-bank notes which may be hereafter issued by him.

61. CONTROL OF PLATES AND DIES. (SEC. 5173.) The plates and special dies to be procured by the Comptroller of the Currency for the printing of such circulating notes shall remain under his control and direction and the expenses necessarily incurred in executing the laws respecting the procuring of such notes and all other expenses of the Bureau of the Currency [except as provided by sec. 3, act June 20, 1874, and secs. 6 and 8, act July 12, 1882] shall be paid out of the proceeds of the taxes or duties assessed and collected on the circulation of national banking associations under this title.

62. EXAMINATION OF PLATES AND DIES. (SEC. 5174.) The Comptroller of the Currency shall cause to be examined, each year, the plates, dies, but pieces [bad pieces], and other material from which the national-bank circulation is printed, in whole or in part, and file in his office annually a correct list of the same. Such material as shall have been used in the printing of the notes of associations which are in liquidation, or have closed business, shall be destroyed, under such regulations as shall be prescribed by the Comptroller of the Currency and approved by the Secretary of the Treasury. The expenses of any such examination or destruction shall be paid out of any appropriation made by Congress for the special examination of national banks and bank-note plates.

63. CIRCULATION, FOR WHAT RECEIVABLE. (SEC. 5182.) After any association receiving circulating notes under this Title has caused its promise to pay such notes on demand to be signed by the president or vice-president and cashier thereof, in such manner as to make them obligatory promissory notes, payable on demand at its place of busi-

ness, such association may issue and circulate the same as money. And the same shall be received at par in all parts of the United States in payment of taxes, excises, public lands, and all other dues to the United States, except duties on imports; and also for all salaries and other debts and demands owing by the United States to individuals, corporations, and associations within the United States, except interest on the public debt, and in redemption of the national currency.

64. CIRCULATION OF GOLD BANKS. (SEC. 5185.) Associations may be organized in the manner prescribed by this Title for the purpose of issuing notes payable in gold; and upon the deposit of any United States bonds bearing interest payable in gold with the Treasurer of the United States, in the manner prescribed for other associations, it shall be lawful for the Comptroller of the Currency to issue to the association making the deposit circulating notes of different denominations, but none of them of less than five dollars, and not exceeding in amount eighty per centum of the par value of the bonds deposited, which shall express the promise of the association to pay them, upon presentation at the office at which they are issued, in gold coin of the United States, and shall be so redeemable.

65. WORN-OUT OR MUTILATED CIRCULATION. (SEC. 5184.) It shall be the duty of the Comptroller of the Currency to receive worn-out or mutilated circulating notes issued by any banking association, and also, on due proof of the destruction of any such circulating notes, to deliver in place thereof to the association other blank circulating notes to an equal amount. Such worn-out or mutilated notes, after a memorandum has been entered in the proper books, in accordance with such regulations as may be established by the Comptroller, as well as all circulating notes which shall have been paid or surrendered to be canceled, shall be macerated in presence of four persons, one to be appointed by the Secretary of the Treasury, one by the Comptroller of the Currency, one by the Treasurer of the United States, and one by the association, under such regulations as the Secretary of the Treasury may prescribe. A certificate of such maceration, signed by the parties so appointed, shall be made in the books of the Comptroller, and a duplicate thereof forwarded to the association whose notes are thus canceled.

66. PROVISIONS FOR REDEEMING CIRCULATION.—Sec. 3 of the act of June 20, 1874, provides that every association organized, or to be organized, under the provisions of the said act, and of the several acts amendatory thereof, shall at all times keep and have on deposit in the Treasury of the United States, in lawful money of the United States, a sum equal to five per centum of its circulation, to be held and used for the redemption of such circulation; which sum shall be counted as a part of its lawful reserve, as provided in section two of this act; and when the circulating notes of any such associations, assorted or unassorted, shall be presented for redemption, in sums of one thousand dollars or any multiple thereof, to the Treasurer of the United States, the same shall be redeemed in United States notes. All notes so redeemed shall be charged by the Treasurer of the United States to the respective associations issuing the same, and he shall notify them severally, on the first day of each month, or oftener, at his discretion, of the amount of such redemptions; and whenever such redemptions for any association shall amount to the sum of five hundred dollars, such association so notified shall forthwith deposit with the Treasurer of the United States a sum in United States notes equal to the amount of its circulating notes so redeemed. And all notes of national banks, worn, defaced, mutilated, or otherwise unfit for circulation, shall, when received by any assistant treasurer, or at any designated depository of

the United States, be forwarded to the Treasurer of the United States for redemption as provided herein. And when such redemptions have been so reimbursed, the circulating notes so redeemed shall be forwarded to the respective associations by which they were issued; but if any of such notes are worn, mutilated, defaced, or rendered otherwise unfit for use, they shall be forwarded to the Comptroller of the Currency and destroyed, and replaced as now provided by law: *Provided*, That each of said associations shall reimburse to the Treasury the charges for transportation and the costs for assorting such notes; and the associations hereafter organized shall also severally reimburse to the Treasury the cost of engraving such plates as shall be ordered by each association respectively; and the amount assessed upon each association shall be in proportion to the circulation redeemed, and be charged to the fund on deposit with the Treasurer.

67. WITHDRAWING CIRCULATION.—Sec. 4 of the act of June 20, 1874, provides that any association organized under this act, or any of the acts of which this is an amendment, desiring to withdraw its circulating notes, in whole or in part, may, upon the deposit of lawful money with the Treasurer of the United States in sums of not less than nine thousand dollars, take up the bonds which said association has on deposit with the Treasurer for the security of such circulating notes, which bonds shall be assigned to the bank in the manner specified in the nineteenth section of the national-bank act; and the outstanding notes of said association, to an amount equal to the legal-tender notes deposited, shall be redeemed at the Treasury of the United States, and destroyed as now provided by law: *Provided*, That the amount of the bonds on deposit for circulation shall not be reduced below fifty thousand dollars.

68. GENERAL PROVISIONS FOR WITHDRAWING CIRCULATION.—The act of July 12, 1882, provides: (SEC. 8.) That the national banks which shall hereafter make deposits of lawful money for the retirement in full of their circulation shall, at the time of their deposit, be assessed for the cost of transporting and redeeming their notes then outstanding, a sum equal to the average cost of the redemption of national-bank notes during the preceding year, and shall thereupon pay such assessment; and all national banks which have heretofore made or shall hereafter make deposits of lawful money for the reduction of their circulation shall be assessed, and shall pay an assessment in the manner specified in section three of the act approved June twentieth, eighteen hundred and seventy-four, for the cost of transporting and redeeming their notes redeemed from such deposits subsequently to June thirtieth, eighteen hundred and eighty-one.

SEC. 9. (As amended by act of March 14, 1900.) That any national banking association now organized, or hereafter organized, desiring to withdraw its circulating notes, upon a deposit of lawful money with the Treasurer of the United States, as provided in section four of the act of June twentieth, eighteen hundred and seventy-four, or as provided in this act, is authorized to deposit lawful money and withdraw a proportionate amount of the bonds held as security for its circulating notes in the order of such deposits: *Provided*, That not more than three millions of dollars of lawful money shall be deposited during any calendar month for this purpose: *And provided further*, That the provisions of this section shall not apply to bonds called for redemption by the Secretary of the Treasury, nor to the withdrawal of circulating notes in consequence thereof.

69. CIRCULATION OF EXTENDED BANKS.—Sec. 6 of the act of July 12, 1882, provides that the circulating notes of any association so extend-

ing the period of its succession which shall have been issued to it prior to such extension shall be redeemed at the Treasury of the United States, as provided in section three of the act of June twentieth, eighteen hundred and seventy-four, entitled "An act fixing the amount of United States notes, providing for redistribution of national bank currency, and for other purposes," and such notes when redeemed shall be forwarded to the Comptroller of the Currency, and destroyed, as now provided by law; and at the end of three years from the date of the extension of the corporate existence of each bank the association so extended shall deposit lawful money with the Treasury of the United States sufficient to redeem the remainder of the circulation which was outstanding at the date of its extension, as provided in sections fifty-two hundred and twenty-two, fifty-two hundred and twenty-four, and fifty-two hundred and twenty-five of the Revised Statutes; and any gain that may arise from the failure to present such circulating notes for redemption shall inure to the benefit of the United States; and from time to time, as such notes are redeemed or lawful money deposited therefor as provided herein, new circulating notes shall be issued as provided for by this act, bearing such devices, to be approved by the Secretary of the Treasury, as shall make them readily distinguishable from the circulating notes heretofore issued: *Provided, however,* That each banking association which shall obtain the benefit of this act shall reimburse to the Treasury the cost of preparing the plate or plates for such new circulating notes as shall be issued to it.

70. CIRCULATION OF LIQUIDATING BANKS. (SEC. 5225.) Whenever the Treasurer has redeemed any of the notes of an association which has commenced to close its affairs, he shall cause the notes to be mutilated and charged to the redemption account of the association; and all notes so redeemed by the Treasurer shall, every three months, be certified to and destroyed in the manner prescribed in section fifty-one hundred and eighty-four.

71. CIRCULATION OF CLOSED BANKS.—Sec. 8 of the act of June 20, 1874, provides: And it shall be the duty of the Treasurer, assistant treasurers, designated depositaries, and national bank depositaries of the United States to assort and return to the Treasury for redemption the notes of such national banks as have failed, or gone into voluntary liquidation for the purpose of winding up their affairs, and of such as shall hereafter so fail or go into liquidation.

72. REGULATIONS FOR REDEMPTION RECORDS. (SEC. 5232.) The Secretary of the Treasury may, from time to time, make such regulations respecting the disposition to be made of circulating notes after presentation at the Treasury of the United States for payment, and respecting the perpetuation of the evidence of the payment thereof, as may seem to him proper.

73. REDEEMED NOTES TO BE CANCELED. (SEC. 5233.) All notes of national banking associations presented at the Treasury of the United States for payment shall, on being paid, be canceled.

74. REDEMPTION IN UNITED STATES NOTES.—Sec. 3 of the act approved June 20, 1874, provides that when the circulating notes of any such associations, assorted or unassorted, shall be presented for redemption, in sums of one thousand dollars or any multiple thereof, to the Treasurer of the United States, the same shall be redeemed in United States notes.

75. DISPOSITION OF REDEMPTION ACCOUNT.—Sec. 6 of the act of July 14, 1890, provides that upon the passage of this act the balances standing with the Treasurer of the United States to the respective credits of national banks for deposits made to redeem the circulating

notes of such banks, and all deposits thereafter received for like purpose, shall be covered into the Treasury as a miscellaneous receipt, and the Treasury of the United States shall redeem from the general cash in the Treasury the circulating notes of said banks which may come into his possession subject to redemption; and upon the certificate of the Comptroller of the Currency that such notes have been received by him and that they have been destroyed and that no new notes will be issued in their place, reimbursement of their amount shall be made to the Treasurer, under such regulations as the Secretary of the Treasury may prescribe, from an appropriation hereby created, to be known as "national-bank notes, redemption account." But the provisions of this act shall not apply to the deposits received under section three of the act of June twentieth, eighteen hundred and seventy-four, requiring every national bank to keep in lawful money with the Treasurer of the United States a sum equal to five per centum of its circulation, to be held and used for the redemption of its circulating notes; and the balance remaining of the deposits so covered shall, at the close of each month, be reported on the monthly public debt statement as debt of the United States bearing no interest.

76. **REDEMPTION OF INCOMPLETE CIRCULATION.**—The act of July 28, 1892, provides that the provisions of the Revised Statutes of the United States, providing for the redemption of national-bank notes, shall apply to all national-bank notes that have been or may be issued to, or received by, any national bank, notwithstanding such notes may have been lost by or stolen from the bank and put in circulation without the signature or upon the forged signature of the president or vice-president and cashier.

77. **BANKS TAKE CIRCULATION AT PAR.** (SEC. 5196.) Every national banking association formed or existing under this Title shall take and receive at par, for any debt or liability to it, any and all notes or bills issued by any lawfully organized national banking association. But this provision shall not apply to any association organized for the purpose of issuing notes payable in gold.

78. **ISSUE OF OTHER NOTES PROHIBITED.** (SEC. 5183.) No national banking association shall issue post notes or any other notes to circulate as money than such as are authorized by the provisions of this Title.

79. **FRAUDULENT NOTES TO BE MARKED.**—Sec. 5 of the act of June 30, 1876, provides that all United States officers charged with the receipt or disbursement of public moneys, and all officers of national banks, shall stamp or write in plain letters the word "counterfeit," "altered," or "worthless," upon all fraudulent notes issued in the form of and intended to circulate as money which shall be presented at their places of business; and if such officer shall wrongfully stamp any genuine note of the United States, or of the national banks, they shall, upon presentation, redeem such notes at the face value thereof.

## CHAPTER FOUR.

### TAX ON CIRCULATION.

- 80. Tax on circulation.
- 81. Semiannual return of circulation.
- 82. Proceedings on default.
- 83. Enforcing tax on circulation.
- 84. Refunding excess tax.
- 85. Circulation, when exempt from tax.
- 86. Tax on unauthorized circulation.

- 87. Semiannual return of taxable circulation.
- 88. Failure to make such return.
- 89. Tax on converted bank circulation.
- 90. Tax provisions restricted.
- 91. Taxation of notes, etc.

80. **TAX ON CIRCULATION.** (SEC. 5214.) In lieu of all existing taxes, every association shall pay to the Treasurer of the United States, in the

months of January and July, a duty of one-half of one per centum each half year upon the average amount of its notes in circulation. Section 13 of the act of Congress approved March 14, 1900, provides that every national banking association having on deposit, as provided by law, bonds of the United States bearing interest at the rate of two per centum per annum, issued under the provisions of this act, to secure its circulating notes, shall pay to the Treasurer of the United States, in the months of January and July, a tax of one-fourth of one per centum each half year upon the average amount of such of its notes in circulation as are based upon the deposit of said two per centum bonds; and such taxes shall be in lieu of existing taxes on its notes in circulation imposed by section fifty-two hundred and fourteen of the Revised Statutes.

81. SEMIANNUAL RETURN OF CIRCULATION. (SEC. 5215.) In order to enable the Treasurer to assess the duties imposed by the preceding sections, each association shall, within ten days from the first days of January and July of each year, make a return, under the oath of its president or cashier, to the Treasurer of the United States, in such form as the Treasurer may prescribe, of the average amount of its notes in circulation for the six months next preceding the most recent first day of January or July. Every association which fails so to make such return shall be liable to a penalty of two hundred dollars, to be collected either out of the interest as it may become due such association on the bonds deposited with the Treasurer, or, at his option, in the manner in which penalties are to be collected of other corporations under the laws of the United States.

82. PROCEEDINGS ON DEFAULT. (SEC. 5216.) Whenever any association fails to make the half yearly return required by the preceding section, the duties to be paid by such association shall be assessed upon the amount of notes delivered to such association by the Comptroller of the Currency.

83. ENFORCING TAX ON CIRCULATION. (SEC. 5217.) Whenever an association fails to pay the duties imposed by the three preceding sections, the sums due may be collected in the manner provided for the collection of United States taxes from other corporations; or the Treasurer may reserve the amount out of the interest, as it may become due, on the bonds deposited with him by such defaulting association.

84. REFUNDING EXCESS TAX. (SEC. 5218.) In all cases where an association has paid or may pay in excess of what may be or has been found due from it, on account of the duty required to be paid to the Treasurer of the United States, the association may state an account therefor, which, on being certified by the Treasurer of the United States, and found correct by the Comptroller of the Treasury, shall be refunded in the ordinary manner by warrant on the Treasury.

85. CIRCULATION, WHEN EXEMPT FROM TAX. (SEC. 3411.) Whenever the outstanding circulation of any bank, association, corporation, company, or person is reduced to an amount not exceeding five per centum of the chartered or declared capital existing at the time the same was issued, said circulation shall be free from taxation; and whenever any bank which has ceased to issue notes for circulation deposits in the Treasury of the United States, in lawful money, the amount of its outstanding circulation, to be redeemed at par, under such regulations as the Secretary of the Treasury shall prescribe, it shall be exempt from any tax upon such circulation.

**86. TAX ON UNAUTHORIZED CIRCULATION.**—Secs. 19, 20, and 21 of the act of February 8, 1875, provide:

**SEC. 19.** That every person, firm, association, other than national-bank associations, and every corporation, State bank, or State banking association shall pay a tax of ten per centum on the amount of their own notes used for circulation and paid out by them.

**SEC. 20.** That every such person, firm, association, corporation, State bank, or State banking association, and also every national banking association, shall pay a like tax of ten per centum on the amount of notes of any person, firm, association, other than a national banking association, or of any corporation, State bank, or State banking association, or of any town, city, or municipal corporation, used for circulation and paid out by them.

**SEC. 21.** That the amount of such circulating notes, and of the tax due thereon, shall be returned, and the tax paid at the same time, and in the same manner, and with like penalties for failure to return and pay the same, as provided by law for the return and payment of taxes on deposits, capital, and circulation imposed by the existing provisions of internal-revenue law.

**87. SEMI-ANNUAL RETURN OF TAXABLE CIRCULATION.** (SEC. 3414.) A true and complete return of the monthly amount of circulation, as aforesaid, and of the monthly amount of notes of persons, town, city, or municipal corporation, State banks, or State banking associations paid out as aforesaid for the previous six months, shall be made and rendered in duplicate on the first day of December and the first day of June by each of such banks, associations, corporations, companies, or persons, with a declaration annexed thereto, under the oath of such person, or of the president or cashier of such bank, association, corporation, or company, in such form and manner as may be prescribed by the Commissioner of Internal Revenue, that the same contains a true and faithful statement of the amounts subject to tax, as aforesaid; and one copy shall be transmitted to the collector of the district in which any such bank, association, corporation, or company is situated, or in which such person has his place of business, and one copy to the Commissioner of Internal Revenue.

**88. FAILURE TO MAKE SUCH RETURN.** (SEC. 3415.) In default of the returns provided in the preceding section the amount of circulation, and notes of persons, town, city, and municipal corporations, State banks, and State banking associations paid out, as aforesaid, shall be estimated by the Commissioner of Internal Revenue, upon the best information he can obtain. And for any refusal or neglect to make return and payment any such bank, association, corporation, company, or person so in default shall pay a penalty of two hundred dollars, besides the additional penalty and forfeitures provided in other cases.

**89. TAX ON CONVERTED BANK CIRCULATION.** (SEC. 3416.) Whenever any State bank or banking association has been converted into a national banking association, and such national banking association has assumed the liabilities of such State bank or banking association, including the redemption of its bills, by any agreement or understanding whatever with the representatives of such State bank or banking association, such national banking association shall be held to make the required return and payment on the circulation outstanding, so long as such circulation shall exceed five per centum of the capital before such conversion of such State bank or banking association.

**90. TAX PROVISIONS RESTRICTED.** (SEC. 3417.) The provisions of this chapter relating to the tax on the circulation of banks and to

their returns, except as contained in sections thirty-four hundred and eleven, thirty-four hundred and twelve, thirty-four hundred and thirteen, and thirty-four hundred and sixteen, and such parts of sections thirty-four hundred and fourteen and thirty-four hundred and fifteen as relate to the tax of ten per centum on certain notes, shall not apply to associations which are taxed under and by virtue of Title "NATIONAL BANKS."

91. **TAXATION OF NOTES, ETC. (SEC. 3701.)** All stocks, bonds, Treasury notes, and other obligations of the United States shall be exempt from taxation by or under State or municipal or local authority. The act of August 13, 1894, provides: (SEC. 1.) That circulating notes of national banking associations and United States legal-tender notes and other notes and certificates of the United States, payable on demand and circulating or intended to circulate as currency, and gold, silver, or other coin shall be subject to taxation as money on hand or on deposit under the laws of any State or Territory: *Provided*, That any such taxation shall be exercised in the same manner and at the same rate that any such State or Territory shall tax money or currency circulating as money within its jurisdiction.

SEC. 2. That the provisions of this act shall not be deemed or held to change existing laws in respect of the taxation of national banking associations.

92. **LAWS GOVERNING CERTAIN ASSOCIATIONS. (SEC. 5157.)** The provisions of chapters two, three, and four [three, five, and seven of this edition] of this Title, which are expressed without restrictive words, as applying to "national banking association," or to "associations," apply to all associations organized to carry on the business of banking under any act of Congress.

93. **PLACE OF BUSINESS. (SEC. 5190.)** The usual business of each national banking association shall be transacted at an office or banking house located in the place specified in its organization certificate.

94. RESERVE CITIES AND RESERVE REQUIREMENTS. (SEC. 5191.) Every national banking association in either of the following cities: Albany, Baltimore, Boston, Cincinnati, Chicago, Cleveland, Detroit, Louisville, Milwaukee, New Orleans, New York, Philadelphia, Pittsburgh, Saint Louis, San Francisco, and Washington, shall at all times have on hand, in lawful money of the United States, an amount equal to at least twenty-five per centum of the aggregate amount of its deposits in all respects; and every other association shall at all times have on hand, in lawful money of the United States, an amount equal to at least fifteen per centum of the aggregate amount of its deposits in all respects.

95. RESERVE NOT MAINTAINED. (SEC. 5191.) Whenever the lawful money of any association in any of the cities named shall be below the amount of twenty-five per centum of its deposits, and whenever the lawful money of any other association shall be below fifteen per centum of its deposits, such association shall not increase its liabilities by making any new loans or discounts otherwise than by discounting or purchasing bills of exchange payable at sight, nor make any dividend of its profits until the required proportion between the aggregate amount of its deposits and its lawful money of the United States has been restored. And the Comptroller of the Currency may notify any association, whose lawful-money reserve shall be below the amount above required to be kept on hand, to make good such reserve; and if such association shall fail for thirty days thereafter so to make good its reserve of lawful money, the Comptroller may, with the concurrence of the Secretary of the Treasury, appoint a receiver to wind up the business of the association, as provided in section fifty-two hundred and thirty-four.

96. RESERVE AGENTS' BALANCES COUNTED AS RESERVE. (SEC. 5192.) Three-fifths of the reserve of fifteen per centum required by the preceding section to be kept may consist of balances due to an association from associations approved by the Comptroller of the Currency, organized under the act of June three, eighteen hundred and sixty-four, or under this Title, and doing business in the cities of Albany, Baltimore, Boston, Charleston, Chicago, Cincinnati, Cleveland, Detroit, Louisville, Milwaukee, New Orleans, New York, Philadelphia, Pittsburgh, Richmond, Saint Louis, San Francisco, and Washington.

97. CLEARING-HOUSE CERTIFICATES COUNTED AS RESERVE.—Clearing-house certificates, representing specie or lawful money specially deposited for the purpose, of any clearing-house association shall also be deemed to be lawful money in the possession of any association belonging to such clearing house, holding and owning such certificate, within the preceding section.

98. REDEMPTION FUND COUNTED AS RESERVE.—Sec. 3 of the act of June 20, 1874, provides that the five per cent redemption fund, which shall at all times be kept on deposit with the Treasurer of the United States, shall be counted as a part of the lawful reserve.

99. UNITED STATES NOTE CERTIFICATES COUNTED AS RESERVE. (SEC. 5193.) The Secretary of the Treasury may receive United States notes on deposit, without interest, from any national banking associations, in sums of not less than ten thousand dollars, and issue certificates therefor in such form as he may prescribe, in denominations of not less than five thousand dollars, and payable on demand in United States notes at the place where the deposits were made. The notes so deposited shall not be counted as part of the lawful-money reserve of the association; but the certificates issued therefor may be counted as part of its lawful-money reserve, and may be accepted in the settlement

of clearing-house balances at the places where the deposits therefor were made. (Repealed March 14, 1900.)

100. REDEMPTION OF SUCH CERTIFICATES. (SEC. 5194.) The power conferred on the Secretary of the Treasury, by the preceding section shall not be exercised so as to create any expansion or contraction of the currency; and United States notes for which certificates are issued under that section, or other United States notes of like amount, shall be held as special deposits in the Treasury and used only for redemption of such certificates.

101. UNITED STATES GOLD CERTIFICATES COUNTED AS RESERVE.—Sec. 12 of the act of July 12, 1882, provides that the Secretary of the Treasury is authorized and directed to receive deposits of gold coin with the Treasurer or assistant treasurers of the United States, in sums not less than twenty dollars, and to issue certificates therefor in denominations of not less than twenty dollars each, corresponding with the denominations of United States notes. The coin deposited for or representing the certificates of deposit shall be retained in the Treasury for the payment of the same on demand. Said certificates shall be receivable for customs, taxes, and all public dues, and when so received may be reissued; and such certificates, as also silver certificates, when held by any national banking association, shall be counted as part of its lawful reserve; and no national banking association shall be a member of any clearing house in which such certificates shall not be receivable in the settlement of clearing-house balances: *Provided*, That the Secretary of the Treasury shall suspend the issue of such gold certificates whenever the amount of gold coin and gold bullion in the Treasury reserved for the redemption of United States notes falls below one hundred millions of dollars; and the provisions of section fifty-two hundred and seven of the Revised Statutes shall be applicable to the certificates herein authorized and directed to be issued.

102. RESERVE REQUIREMENTS FOR GOLD BANKS. (SEC. 5186.) Every association organized for the purpose of issuing notes payable in gold shall at all times keep on hand not less than twenty-five per centum of its outstanding circulation, in gold or silver coin of the United States; and shall receive at par in the payment of debts the gold notes of every other such association which at the time of such payment is redeeming its circulating notes in gold coin of the United States, and shall be subject to all the provisions of this Title: *Provided*, That, in applying the same to associations organized for issuing gold notes, the terms "lawful money" and "lawful money of the United States" shall be construed to mean gold or silver coin of the United States; and the circulation of such association shall not be within the limitation of circulation mentioned in this Title.

103. RESERVE DEPOSIT IN CENTRAL RESERVE CITY. (SEC. 5195.) Each association organized in any of the cities named in section fifty-one hundred and ninety-one may keep one-half of its lawful-money reserve in cash deposits in the city of New York. But the foregoing provision shall not apply to associations organized and located in the city of San Francisco for the purpose of issuing notes payable in gold. This section shall not relieve any association from its liability to redeem its circulating notes at its own counter at par in lawful money on demand.

104. ADDITIONAL RESERVE CITIES.—Sec. 1 of the act of March 3, 1887, as amended by the act of March 3, 1903, provides that whenever three-fourths in number of the national banks located in any city of the United States having a population of twenty-five thousand people shall make application to the Comptroller of the Currency, in

writing, asking that the name of the city in which such banks are located shall be added to the cities named in sections fifty-one hundred and ninety-one and fifty-one hundred and ninety-two of the Revised Statutes, the Comptroller shall have authority to grant such request, and every bank located in such city shall at all times thereafter have on hand, in lawful money of the United States, an amount equal to at least twenty-five per centum of its deposits, as provided in sections fifty-one hundred and ninety-one and fifty-one hundred and ninety-five of the Revised Statutes.

**105. ADDITIONAL CENTRAL RESERVE CITIES.**—Sec. 2 of the act of March 3, 1887, provides that whenever three-fourths in number of the national banks located in any city of the United States having a population of two hundred thousand people shall make application to the Comptroller of the Currency, in writing, asking that such city may be a central reserve city, like the city of New York, in which one-half of the lawful-money reserve of the national banks located in other reserve cities may be deposited, as provided in section fifty-one hundred and ninety-five of the Revised Statutes, the Comptroller shall have authority, with the approval of the Secretary of the Treasury, to grant such request, and every bank located in such city shall at all times thereafter have on hand, in lawful money of the United States, twenty-five per centum of its deposits, as provided in section fifty-one hundred and ninety-one of the Revised Statutes.

**106. REAL ESTATE. (SEC. 5137.)** A national banking association may purchase, hold, and convey real estate for the following purposes, and for no others:

First. Such as shall be necessary for its immediate accommodation in the transaction of its business.

Second. Such as shall be mortgaged to it in good faith by way of security for debts previously contracted.

Third. Such as shall be conveyed to it in satisfaction of debts previously contracted in the course of its dealings.

Fourth. Such as it shall purchase at sales under judgments, decrees, or mortgages held by the association, or shall purchase to secure debts due to it.

But no such association shall hold the possession of any real estate under mortgage, or the title and possession of any real estate purchased to secure any debts due to it, for a longer period than five years.

**107. INTEREST. (SEC. 5197.)** Any association may take, receive, reserve, and charge on any loan or discount made, or upon any note, bill of exchange, or other evidences of debt, interest at the rate allowed by the laws of the State, Territory, or District where the bank is located, and no more, except that where by the laws of any State a different rate is limited for banks of issue organized under State laws, the rate so limited shall be allowed for associations organized or existing in any such State under this Title. When no rate is fixed by the laws of the State, or Territory, or District, the bank may take, receive, reserve, or charge a rate not exceeding seven per centum, and such interest may be taken in advance, reckoning the days from which the note, bill, or other evidence of debt has to run. And the purchase, discount, or sale of a bona fide bill of exchange, payable at another place than the place of such purchase, discount, or sale, at not more than the current rate of exchange for sight drafts in addition to the interest, shall not be considered as taking or receiving a greater rate of interest.

**108. PENALTY FOR UNLAWFUL INTEREST. (SEC. 5198.)** The taking, receiving, reserving, or charging a rate of interest greater than is

allowed by the preceding section, when knowingly done, shall be deemed a forfeiture of the entire interest which the note, bill, or other evidence of debt carries with it, or which has been agreed to be paid thereon. In case the greater rate of interest has been paid, the person by whom it has been paid, or his legal representatives, may recover back, in an action in the nature of an action of debt, twice the amount of the interest thus paid from the association taking or receiving the same, provided such action is commenced within two years from the time the usurious transaction occurred.

109. **SURPLUS AND DIVIDENDS.** (SEC. 5199.) The directors of any association may semiannually declare a dividend of so much of the net profits of the association as they shall judge expedient; but each association shall, before the declaration of a dividend, carry one-tenth part of its net profits of the preceding half year to its surplus fund until the same shall amount to twenty per centum of its capital stock.

110. **RESTRICTION ON LOANS.** (SEC. 5200.) The total liabilities to any association, of any person, or of any company, corporation, or firm for money borrowed, including in the liabilities of a company or firm the liabilities of the several members thereof, shall at no time exceed one-tenth part of the amount of the capital stock of such association actually paid in. But the discount of bills of exchange drawn in good faith against actually existing values, and the discount of commercial or business paper actually owned by the person negotiating the same shall not be considered as money borrowed.

111. **ASSOCIATIONS MUST NOT HOLD THEIR OWN STOCK.** (SEC. 5201.) No association shall make any loan or discount on the security of the shares of its own capital stock, nor be the purchaser or holder of any such shares, unless such security or purchase shall be necessary to prevent loss upon a debt previously contracted in good faith; and stock so purchased or acquired shall, within six months from the time of its purchase, be sold or disposed of at public or private sale; or, in default thereof, a receiver may be appointed to close up the business of the association, according to section fifty-two hundred and thirty-four.

112. **RESTRICTION ON BANK'S LIABILITY.** (SEC. 5202.) No association shall at any time be indebted, or in any way liable, to an amount exceeding the amount of its capital stock at such time actually paid in and remaining undiminished by losses or otherwise, except on account of demands of the nature following:

First. Notes of circulation.

Second. Moneys deposited with or collected by the association.

Third. Bills of exchange or drafts drawn against money actually on deposit to the credit of the association, or due thereto.

Fourth. Liabilities to the stockholders of the association for dividends and reserve profits.

113. **IMPROPER USE OF BANK CIRCULATION.** (SEC. 5203.) No association shall, either directly or indirectly, pledge or hypothecate any of its notes of circulation for the purpose of procuring money to be paid in on its capital stock, or to be used in its banking operations, or otherwise; nor shall any association use its circulating notes, or any part thereof, in any manner or form, to create or increase its capital stock.

114. **UNEARNED DIVIDENDS PROHIBITED.** (SEC. 5204.) No association, or any member thereof, shall, during the time it shall continue its banking operations, withdraw, or permit to be withdrawn, either in the form of dividends or otherwise, any portion of its capital. If losses have at any time been sustained by any such association equal to or exceeding its undivided profits then on hand, no dividend shall be

made; and no dividend shall ever be made by any association, while it continues its banking operations, to an amount greater than its net profits then on hand, deducting therefrom its losses and bad debts. All debts due to any associations, on which interest is past due and unpaid for a period of six months, unless the same are well secured, and in process of collection, shall be considered bad debts within the meaning of this section. But nothing in this section shall prevent the reduction of the capital stock of the association under section fifty-one hundred and forty-three.

**115. ASSESSMENT FOR IMPAIRMENT OF CAPITAL. (SEC. 5205.)** Every association which shall have failed to pay up its capital stock, as required by law, and every association whose capital stock shall have become impaired by losses or otherwise, shall, within three months after receiving notice thereof from the Comptroller of the Currency, pay the deficiency in the capital stock, by assessment upon the shareholders pro rata for the amount of capital stock held by each; and the Treasurer of the United States shall withhold the interest upon all bonds held by him in trust for any such association, upon notification from the Comptroller of the Currency, until otherwise notified by him. If any such association shall fail to pay up its capital stock, and shall refuse to go into liquidation, as provided by law, for three months after receiving notice from the Comptroller, a receiver may be appointed to close up the business of the association, according to the provisions of section fifty-two hundred and thirty-four.

**116. PROVISION FOR ENFORCEMENT OF ASSESSMENT.—**Sec. 4 of the act of June 30, 1876, provides that if any shareholder or shareholders of a bank shall neglect or refuse, after three months' notice, to pay the assessment, as provided in this section, it shall be the duty of the board of directors to cause a sufficient amount of the capital stock of such shareholder or shareholders to be sold at public auction (after thirty days' notice shall be given by posting such notice of sale in the office of the bank and by publishing such notice in a newspaper of the city or town in which the bank is located, or in a newspaper published nearest thereto) to make good the deficiency; and the balance, if any, shall be returned to such delinquent shareholder or shareholders.

**117. PROHIBITION AGAINST UNCURRENT NOTES. (SEC. 5206.)** No association shall at any time pay out on loans or discounts, or in purchasing drafts or bills of exchange, or in payment of deposits, or in any other mode pay or put in circulation the notes of any bank or banking association which are not, at any such time, receivable, at par, on deposit, and in payment of debts by the association so paying out or circulating such notes; nor shall any association knowingly pay out or put in circulation any notes issued by any bank or banking association which at the time of such paying out or putting in circulation is not redeeming its circulating notes in lawful money of the United States.

**118. LIST OF SHAREHOLDERS. (SEC. 5210.)** The president and cashier of every national banking association shall cause to be kept at all times a full and correct list of the names and residences of all the shareholders in the association, and the number of shares held by each, in the office where its business is transacted. Such list shall be subject to the inspection of all the shareholders and creditors of the association, and the officers authorized to assess taxes under State authority, during business hours of each day in which business may be legally transacted. A copy of such list, on the first Monday of July of each year, verified by the oath of such president or cashier, shall be transmitted to the Comptroller of the Currency.

**119. REPORTS OF CONDITION. (SEC. 5211.)** Every association shall make to the Comptroller of the Currency not less than five reports during each year, according to the form which may be prescribed by him, verified by the oath or affirmation of the president or cashier of such association, and attested by the signature of at least three of the directors. Each such report shall exhibit, in detail and under appropriate heads, the resources and liabilities of the associations at the close of business on any past day by him specified, and shall be transmitted to the Comptroller within five days after the receipt of a request or requisition therefor from him, and in the same form in which it is made to the Comptroller shall be published in a newspaper published in the place where such association is established, or if there is no newspaper in the place, then in one published nearest thereto in the same county, at the expense of the association; and such proof of publication shall be furnished as may be required by the Comptroller. The Comptroller shall also have power to call for special reports from any particular association whenever in his judgment the same are necessary in order to a full and complete knowledge of its condition.

**120. VERIFICATION OF SUCH REPORTS.**—The act of February 26, 1881, provides that the oath or affirmation required by section fifty-two hundred and eleven of the Revised Statutes, verifying the returns made by national banks to the Comptroller of the Currency, when taken before a notary public properly authorized and commissioned by the State in which such notary resides and the bank is located, or any other officer having an official seal, authorized in such State to administer oaths, shall be a sufficient verification as contemplated by said section fifty-two hundred and eleven: *Provided*, That the officer administering the oath is not an officer of the bank.

**121. REPORTS OF DIVIDENDS AND EARNINGS. (SEC. 5212.)** In addition to the reports required by the preceding section, each association shall report to the Comptroller of the Currency, within ten days after declaring any dividend, the amount of such dividend and the amount of net earnings in excess of such dividend. Such reports shall be attested by the oath of the president or cashier of the association.

**122. PENALTY FOR FAILURE TO REPORT. (SEC. 5213.)** Every association which fails to make and transmit any report required under either of the two preceding sections shall be subject to a penalty of one hundred dollars for each day after the periods, respectively, therein mentioned, that it delays to make and transmit its report. Whenever any association delays or refuses to pay the penalty herein imposed, after it has been assessed by the Comptroller of the Currency, the amount thereof may be retained by the Treasurer of the United States, upon the order of the Comptroller of the Currency, out of the interest, as it may become due to the association, on the bonds deposited with him to secure circulation. All sums of money collected for penalties under this section shall be paid into the Treasury of the United States.

**123. REPORTS OF OTHER BANKS.**—Sec. 6 of the act of June 30, 1876, as amended by acts of March 3, 1901, and June 30, 1902, provides that all banks or savings companies or institutions organized under authority of any act of Congress to do business in the District of Columbia shall be, and are hereby, required to make to the Comptroller of the Currency, and publish, all the reports which national banking associations are required to make and publish, under the provisions of sections fifty two hundred and eleven, fifty-two hundred and twelve, and fifty-two hundred and thirteen of the Revised Statutes,

and shall be subject to the same penalties for failure to make or publish such reports as are therein provided, which penalties may be collected by suit before the supreme court of the District of Columbia.

124. **STATE TAXATION OF NATIONAL BANKS.** (SEC. 5219.) Nothing herein shall prevent all the shares in any association from being included in the valuation of the personal property of the owner or holder of such shares, in assessing taxes imposed by authority of the State within which the association is located; but the legislature of each State may determine and direct the manner and place of taxing all the shares of national banking associations located within the State, subject only to the two restrictions, that the taxation shall not be at a greater rate than is assessed upon other moneyed capital in the hands of individual citizens of such State, and that the shares of any national banking association owned by nonresidents of any State shall be taxed in the city or town where the bank is located, and not elsewhere. Nothing herein shall be construed to exempt the real property of associations from either State, county, or municipal taxes, to the same extent, according to its value, as other real property is taxed.

125. **NATIONAL-BANK EXAMINERS.** (SEC. 5240.) The Comptroller of the Currency, with the approval of the Secretary of the Treasury, shall, as often as shall be deemed necessary or proper, appoint a suitable person or persons to make an examination of the affairs of every banking association, who shall have power to make a thorough examination into all the affairs of the association, and in doing so to examine any of the officers and agents thereof on oath; and shall make a full and detailed report of the condition of the association to the Comptroller.

126. **QUALIFICATION FOR EXAMINER.** (SEC. 5240.) But no person shall be appointed to examine the affairs of any banking association of which he is a director or other officer.

127. **COMPENSATION OF EXAMINERS.** (SEC. 5240.) All persons appointed to be examiners of national banks not located in the redemption cities specified in section five thousand one hundred and ninety-two of the Revised Statutes of the United States, or in any one of the States of Oregon, California, and Nevada, or in the Territories, shall receive compensation for such examination as follows: For examining national banks having a capital less than one hundred thousand dollars, twenty dollars; those having a capital of one hundred thousand dollars and less than three hundred thousand dollars, twenty-five dollars; those having a capital of three hundred thousand dollars and less than four hundred thousand dollars, thirty-five dollars; those having a capital of four hundred thousand dollars and less than five hundred thousand dollars, forty dollars; those having a capital of five hundred thousand dollars and less than six hundred thousand dollars, fifty dollars; those having a capital of six hundred thousand dollars and over, seventy-five dollars; which amounts shall be assessed by the Comptroller of the Currency upon, and paid by, the respective association so examined, and shall be in lieu of the compensation and mileage heretofore allowed for making said examinations; and persons appointed to make examinations of national banks in the cities named in section five thousand one hundred and ninety-two of the Revised Statutes of the United States, or in any one of the States of Oregon, California, and Nevada, or in the Territories, shall receive such compensation as may be fixed by the Secretary of the Treasury upon the recommendation of the Comptroller of the Currency; and the same shall be assessed and paid in the manner hereinbefore provided.

128. EXAMINATIONS IN DISTRICT OF COLUMBIA. (SEC. 332.) The Comptroller of the Currency, in addition to the powers conferred upon him by law for the examination of national banks, is further authorized, whenever he may deem it useful, to cause examination to be made into the condition of any bank in the District of Columbia organized under act of Congress. The Comptroller, at his discretion, may report to Congress the results of such examination. The expense necessarily incurred in any such examination shall be paid out of any appropriation made by Congress for special bank examinations.

| 131. Corporate existence may be extended. | 134. Status not changed by extension.      |
| 132. Consent of two-thirds necessary.     | 135. Dissenting shareholders may withdraw. |
| 133. Special examination of bank.         |  |

131. CORPORATE EXISTENCE MAY BE EXTENDED.—The act of July 12, 1882, provides: (SEC. 1) That any national banking association organized under the acts of February twenty-fifth, eighteen hundred and sixty-three, June third, eighteen hundred and sixty-four, and February fourteenth, eighteen hundred and eighty, or under sections fifty-one hundred and thirty-three, fifty-one hundred and thirty-four, fifty-one hundred and thirty-five, fifty-one hundred and thirty-six, and fifty-one hundred and fifty-four of the Revised Statutes of the United States, may, at any time within the two years next previous to the date of the expiration of its corporate existence under present law, and with the approval of the Comptroller of the Currency, to be granted as hereinafter provided, extend its period of succession by amending its articles of association for a term of not more than twenty years from the expiration of the period of succession named in said articles of association, and shall have succession for such extended period, unless sooner dissolved by the act of shareholders owning two-thirds of its stock, or unless its franchise becomes forfeited by some violation of law, or unless hereafter modified or repealed.

132. CONSENT OF TWO-THIRDS NECESSARY. (SEC. 2.) That such amendment of said articles of association shall be authorized by the consent in writing of shareholders owning not less than two-thirds of the capital stock of the association; and the board of directors shall cause such consent to be certified under the seal of the association, by its president or cashier, to the Comptroller of the Currency, accompanied by an application made by the president or cashier for the

approval of the amended articles of association by the Comptroller; and such amended articles of association shall not be valid until the Comptroller shall give to such association a certificate under his hand and seal that the association has complied with all the provisions required to be complied with and is authorized to have succession for the extended period named in the amended articles of association.

133. SPECIAL EXAMINATION OF BANK. (SEC. 3.) That upon the receipt of the application and certificate of the association provided for in the preceding section, the Comptroller of the Currency shall cause a special examination to be made, at the expense of the association, to determine its condition; and if after such examination or otherwise it appears to him that said association is in a satisfactory condition, he shall grant his certificate of approval provided for in the preceding section, or if it appears that the condition of said association is not satisfactory, he shall withhold such certificate of approval.

134. STATUS NOT CHANGED BY EXTENSION. (SEC. 4.) That any association so extending the period of its succession shall continue to enjoy all the rights and privileges and immunities granted and shall continue to be subject to all the duties, liabilities, and restrictions imposed by the Revised Statutes of the United States and other acts having reference to national banking associations, and it shall continue to be in all respects the identical association it was before the extension of its period of succession.

135. DISSENTING SHAREHOLDERS MAY WITHDRAW. (SEC. 5.) That when any national banking association has amended its articles of association as provided in this act, and the Comptroller has granted his certificate of approval, any shareholder not assenting to such amendment may give notice in writing to the directors, within thirty days from the date of the certificate of approval, of his desire to withdraw from said association, in which case he shall be entitled to receive from said banking association the value of the shares so held by him, to be ascertained by an appraisal made by a committee of three persons, one to be selected by such shareholder, one by the directors, and the third by the first two; and in case the value so fixed shall not be satisfactory to any such shareholder, he may appeal to the Comptroller of the Currency, who shall cause a reappraisal to be made, which shall be final and binding; and if said reappraisal shall exceed the value fixed by said committee, the bank shall pay the expenses of said reappraisal, and otherwise the appellant shall pay said expenses; and the value so ascertained and determined shall be deemed to be a debt due, and be forthwith paid, to said shareholder, from said bank; and the shares so surrendered and appraised shall, after due notice, be sold at public sale, within thirty days after the final appraisal provided in this section: *Provided*, That in the organization of any banking association intended to replace any existing banking association, and retaining the name thereof, the holders of stock in the expiring association shall be entitled to preference in the allotment of the shares of the new association in proportion to the number of shares held by them respectively in the expiring association.

136. REEXTENSION OF CORPORATE EXISTENCE.—The act of Congress, approved April 12, 1902, provides that the Comptroller of the Currency is hereby authorized in the manner provided by, and under the conditions and limitations of the act of July 12, 1882, to extend for a further period of twenty years the charter of any national banking association extended under said act which shall desire to continue its existence after the expiration of its charter.

|--|--|

137. TWO-THIRDS VOTE REQUIRED FOR LIQUIDATION. (SEC. 5220.) Any association may go into liquidation and be closed by the vote of its shareholders owning two-thirds of its stock.

138. NOTICE OF VOLUNTARY LIQUIDATION. (SEC. 5221.) Whenever a vote is taken to go into liquidation it shall be the duty of the board of directors to cause notice of this fact to be certified, under the seal of the association, by its president or cashier, to the Comptroller of the Currency, and the publication thereof to be made for a period of two months in a newspaper published in the city of New York, and also in a newspaper published in the city or town in which the association is located, or if no newspaper is there published, then in the newspaper published nearest thereto, that the association is closing up its affairs, and notifying the holders of its notes and other creditors to present the notes and other claims against the association for payment.

139. DEPOSIT OF LAWFUL MONEY. (SEC. 5222.) Within six months from the date of the vote to go into liquidation the association shall deposit with the Treasurer of the United States lawful money of the United States sufficient to redeem all its outstanding circulation. The Treasurer shall execute duplicate receipts for money thus deposited, and deliver one to the association and the other to the Comptroller of the Currency, stating the amount received by him, and the purpose for which it has been received; and the money shall be paid into the Treasury of the United States, and placed to the credit of such association upon redemption account.

140. NO DEPOSIT REQUIRED FOR CONSOLIDATION. (SEC. 5223.) An association which is in good faith winding up its business for the purpose of consolidating with another association shall not be required to deposit lawful money for its outstanding circulation; but its assets and liabilities shall be reported by the association with which it is in process of consolidation.

141. BONDS OF LIQUIDATING BANKS. (SEC. 5224.) Whenever a sufficient deposit of lawful money to redeem the outstanding circulation of an association proposing to close its business has been made, the bonds deposited by the association to secure payment of its notes shall be reassigned to it, in the manner prescribed by section fifty-one hun-

dred and sixty-two. And thereafter the association and its shareholders shall stand discharged from all liabilities upon the circulating notes, and those notes shall be redeemed at the Treasury of the United States. And if any such bank shall fail to make the deposit and take up its bonds for thirty days after the expiration of the time specified, the Comptroller of the Currency shall have power to sell the bonds pledged for the circulation of said bank at public auction in New York City, and, after providing for the redemption and cancellation of said circulation, and the necessary expenses of the sale, to pay over any balance remaining to the bank or its legal representatives.

142. BANKS WHOSE EXISTENCE HAS EXPIRED.—Sec. 7 of the act of July 12, 1882, provides that national banking associations whose corporate existence has expired or shall hereafter expire, and which do not avail themselves of the provisions of this act, shall be required to comply with the provisions of sections fifty-two hundred and twenty-one and fifty-two hundred and twenty-two of the Revised Statutes in the same manner as if the shareholders had voted to go into liquidation, as provided in section fifty-two hundred and twenty of the Revised Statutes; and the provisions of sections fifty-two hundred and twenty-four and fifty-two hundred and twenty-five of the Revised Statutes shall also be applicable to such associations, except as modified by this act; and the franchise of such associations is hereby extended for the sole purpose of liquidating their affairs until such affairs are finally closed.

143. PROTEST OF BANK CIRCULATION. (SEC. 5226.) Whenever any national banking association fails to redeem in the lawful money of the United States any of its circulating notes, upon demand of payment duly made during the usual hours of business, at the office of such association, the holder may cause the same to be protested, in one package by a notary public, unless the president or cashier of the association whose notes are presented for payment offers to waive demand and notice of the protest, and, in pursuance of such offer, makes, signs, and delivers to the party making such demand an admission in writing, stating the time of the demand, the amount demanded, and the fact of the nonpayment thereof. The notary public, on making such protest, or upon receiving such admission, shall forthwith forward such admission or notice of protest to the Comptroller of the Currency, retaining a copy thereof. If, however, satisfactory proof is produced to the notary public that the payment of the notes demanded is restrained by order of any court of competent jurisdiction, he shall not protest the same. When the holder of any notes causes more than one note or package to be protested on the same day, he shall not receive pay for more than one protest.

144. BONDS FORFEITED IF CIRCULATION IS DISHONORED. (SEC. 5227.) On receiving notice that any national banking association has failed to redeem any of its circulating notes, as specified in the preceding section, the Comptroller of the Currency, with the concurrence of the Secretary of the Treasury, may appoint a special agent, of whose appointment immediate notice shall be given to such association, who shall immediately proceed to ascertain whether it has refused to pay its circulating notes in the lawful money of the United States, when demanded, and shall report to the Comptroller the fact so ascertained. If from such protest, and the report so made, the Comptroller is satisfied that such association has refused to pay its circulating notes and is in default, he shall, within thirty days after he has received notice of such failure, declare the bonds deposited by such association forfeited to the United States, and they shall thereupon be so forfeited.

**145. BANK MAY ENJOIN FURTHER PROCEEDINGS. (SEC. 5237.)** Whenever an association against which proceedings have been instituted, on account of any alleged refusal to redeem its circulating notes as aforesaid, denies having failed to do so, it may, at any time within ten days after it has been notified of the appointment of an agent, as provided in section fifty-two hundred and twenty-seven, apply to the nearest circuit, or district, or Territorial court of the United States to enjoin further proceedings in the premises; and such court, after citing the Comptroller of the Currency to show cause why further proceedings should not be enjoined, and after the decision of the court or finding of the jury that such association has not refused to redeem its circulating notes, when legally presented, in the lawful money of the United States, shall make an order enjoining the Comptroller, and any receiver acting under his direction, from all further proceedings on account of such alleged refusal.

**146. WHERE PROCEEDINGS MUST BE BROUGHT. (SEC. 736.)** All proceedings by any national banking association to enjoin the Comptroller of the Currency, under the provisions of any law relating to national banking associations, shall be had in the district where such association is located.

**147. SUSPENSION OF BUSINESS AFTER DEFAULT. (SEC. 5228.)** After a default on the part of an association to pay any of its circulating notes has been ascertained by the Comptroller, and notice thereof has been given by him to the association, it shall not be lawful for the association suffering the same to pay out any of its notes, discount any notes or bills, or otherwise prosecute the business of banking, except to receive and safely keep money belonging to it, and to deliver special deposits.

**148. NOTICE TO PRESENT CIRCULATION FOR REDEMPTION. (SEC. 5229.)** Immediately upon declaring the bonds of an association forfeited for nonpayment of its notes, the Comptroller shall give notice, in such manner as the Secretary of the Treasury shall, by general rules or otherwise direct, to the holders of the circulating notes of such association, to present them for payment at the Treasury of the United States; and the same shall be paid as presented in lawful money of the United States; whereupon the Comptroller may, in his discretion, cancel an amount of bonds pledged by such association equal at current market rates, not exceeding par, to the notes paid.

**149. BONDS SOLD AT PUBLIC AUCTION. (SEC. 5230.)** Whenever the Comptroller has become satisfied, by the protest or the waiver and admission specified in section fifty-two hundred and twenty-six, or by the report provided for in section fifty-two hundred and twenty-seven, that any association has refused to pay its circulating notes, he may, instead of canceling its bonds, cause so much of them as may be necessary to redeem its outstanding notes to be sold at public auction in the city of New York, after giving thirty days' notice of such sale to the association.

**150. FIRST LIEN FOR REDEMING CIRCULATION. (SEC. 5230.)** For any deficiency in the proceeds of all the bonds of an association, when thus sold, to reimburse to the United States the amount expended in paying the circulating notes of the association, the United States shall have a paramount lien upon all its assets; and such deficiency shall be made good out of such assets in preference to any and all other claims whatsoever, except the necessary costs and expenses of administering the same.

**151. BONDS SOLD AT PRIVATE SALE. (SEC. 5231.)** The Comptroller may, if he deems it for the interest of the United States, sell at private

sale any of the bonds of an association shown to have made default in paying its notes, and receive therefor either money or the circulating notes of the association. But no such bonds shall be sold by private sale for less than par, nor for less than the market value thereof at the time of sale; and no sales of any such bonds, either public or private, shall be complete until the transfer of the bonds shall have been made with the formalities prescribed by sections fifty-one hundred and sixty-two, fifty-one hundred and sixty-three, and fifty-one hundred and sixty-four.

**152. APPOINTMENT AND DUTIES OF RECEIVER. (SEC. 5234.)** On becoming satisfied, as specified in sections fifty-two hundred and twenty-six and fifty-two hundred and twenty-seven, that any association has refused to pay its circulating notes as therein mentioned, and is in default, the Comptroller of the Currency may forthwith appoint a receiver, and require of him such bond and security as he deems proper. Such receiver, under the direction of the Comptroller, shall take possession of the books, records, and assets of every description of such association, collect all debts, dues, and claims belonging to it, and, upon the order of a court of record of competent jurisdiction, may sell or compound all bad or doubtful debts, and, on a like order, may sell all the real and personal property of such association, on such terms as the court shall direct; and may, if necessary to pay the debts of such association, enforce the individual liability of the stockholders. Such receiver shall pay over all money so made to the Treasurer of the United States, subject to the order of the Comptroller, and also make report to the Comptroller of all his acts and proceedings.

**153. WHEN RECEIVER MAY BE APPOINTED.—**Sec. 1 of the act of June 30, 1876, provides that whenever any national banking association shall be dissolved, and its rights, privileges, and franchises declared forfeited, as prescribed in section fifty-two hundred and thirty-nine of the Revised Statutes of the United States, or whenever any creditor of any national banking association shall have obtained a judgment against it in any court of record, and made application, accompanied by a certificate from the clerk of the court stating that such judgment has been rendered and has remained unpaid for the space of thirty days, or whenever the Comptroller shall become satisfied of the insolvency of the national banking association, he may, after due examination of its affairs, in either case, appoint a receiver, who shall proceed to close up such association, and enforce the personal liability of the shareholders, as provided in section fifty-two hundred and thirty-four of said statutes.

A receiver may also be appointed, under the provisions of section fifty-two hundred and thirty-four of the Revised Statutes of the United States, for the following violations of law:

Where the capital stock of a national bank has not been fully paid in and it is thus reduced below the legal minimum and remains so for thirty days. (Sec. 5141, R. S.)

For failure to make good the lawful-money reserve within thirty days after notice. (Sec. 5191, R. S.)

Where a bank purchases or acquires its own stock, other than to prevent loss upon a debt previously contracted in good faith, and the same is not sold or disposed of within six months from the time of its purchase. (Sec. 5201, R. S.)

For failure to make good any impairment in its capital stock and refusing to go into liquidation within three months after receiving notice. (Sec. 5205, R. S.)

For false certification of checks by any officer, clerk, or agent. (Sec. 5208, R. S.)

154. NOTICE TO CREDITORS OF INSOLVENT BANKS. (SEC. 5235.) The Comptroller shall, upon appointing a receiver, cause notice to be given, by advertisement in such newspapers as he may direct, for three consecutive months, calling on all persons who may have claims against such association to present the same and to make legal proof thereof.

155. DISTRIBUTION OF ASSETS OF INSOLVENT BANKS. (SEC. 5236.) From time to time, after full provision has been first made for refunding to the United States any deficiency in redeeming the notes of such association, the Comptroller shall make a ratable dividend of the money so paid over to him by such receiver on all such claims as may have been proved to his satisfaction or adjudicated in a court of competent jurisdiction, and, as the proceeds of the assets of such association are paid over to him, shall make further dividends on all claims previously proved or adjudicated; and the remainder of the proceeds, if any, shall be paid over to the shareholders of such association, or their legal representatives, in proportion to the stock by them respectively held.

156. EXPENSES OF RECEIVERSHIP—HOW PAID. (SEC. 5238.) All fees for protesting the notes issued by any national banking association shall be paid by the person procuring the protest to be made, and such association shall be liable therefor; but no part of the bonds deposited by such association shall be applied to the payment of such fees. All expenses of any preliminary or other examinations into the condition of any association shall be paid by such association. All expenses of any receivership shall be paid out of the assets of such association before distribution of the proceeds thereof.

157. FORFEITURE OF CHARTER. (SEC. 5239.) If the directors of any national banking association shall knowingly violate, or knowingly permit any of the officers, agents, or servants of the association to violate, any of the provisions of this Title, all the rights, privileges, and franchises of the association shall be thereby forfeited. Such violation shall, however, be determined and adjudged by a proper circuit, district, or Territorial court of the United States, in a suit brought for that purpose by the Comptroller of the Currency, in his own name, before the association shall be declared dissolved.

158. INDIVIDUAL LIABILITY OF DIRECTORS. (SEC. 5239.) And in cases of such violation every director who participated in or assented to the same shall be held liable in his personal and individual capacity for all damages which the association, its shareholders, or any other person shall have sustained in consequence of such violation.

159. RECEIVER MAY PURCHASE PROPERTY TO PROTECT HIS TRUST.—The act of March 29, 1886, provides: (SEC. 1.) That whenever the receiver of any national bank duly appointed by the Comptroller of the Currency, and who shall have duly qualified and entered upon the discharge of his trust, shall find it in his opinion necessary, in order to fully protect and benefit his said trust, to the extent of any and all equities that such trust may have in any property, real or personal, by reason of any bond, mortgage, assignment, or other proper legal claim attaching thereto, and which said property is to be sold under any execution, decree of foreclosure, or proper order of any court of jurisdiction, he may certify the facts in the case, together with his opinion as to the value of the property to be sold and the value of the equity his said trust may have in the same, to the Comptroller of the Currency, together with a request for the right and authority to use and employ so much of the money of said trust as may be necessary to purchase such property at such sale.

SEC. 2. That such request, if approved by the Comptroller of the Currency, shall be, together with the certificate of facts in the case and

his recommendation as to the amount of money which in his judgment should be so used and employed, submitted to the Secretary of the Treasury, and if the same shall likewise be approved by him the request shall be by the Comptroller of the Currency allowed, and notice thereof, with copies of the request, certificate of facts, and indorsement of approvals, shall be filed with the Treasurer of the United States.

SEC. 3. That whenever any such request shall be allowed as herein before provided, the said Comptroller of the Currency shall be, and is, empowered to draw upon and from such funds of any such trust as may be deposited with the Treasurer of the United States for the benefit of the bank in interest to the amount as may be recommended and allowed and for the purpose for which such allowance was made: *Provided, however,* That all payments to be made for or on account of the purchase of any such property and under any such allowance shall be made by the Comptroller of the Currency direct, with the approval of the Secretary of the Treasury, for such purpose only and in such manner as he may determine and order.

160. TAXES ON INSOLVENT NATIONAL BANKS REMITTED.—The act of March 1, 1879, provides that whenever and after any bank has ceased to do business by reason of insolvency or bankruptcy no tax shall be assessed or collected, or paid into the Treasury of the United States, on account of such bank, which shall diminish the assets thereof necessary for the full payment of all its depositors; and such tax shall be abated from such national banks as are found by the Comptroller of the Currency to be insolvent; and the Commissioner of Internal Revenue, when the facts shall so appear to him, is authorized to remit so much of said tax against insolvent State and savings banks as shall be found to affect the claims of their depositors.

161. APPOINTMENT AND QUALIFICATION OF SHAREHOLDERS' AGENT.—Sec. 3 of the act of June 30, 1876, as amended by acts of August 3, 1892, and March 2, 1897, provides that whenever any association shall have been or shall be placed in the hands of a receiver, as provided in section fifty-two hundred and thirty-four and other sections of the Revised Statutes of the United States, and when, as provided in section fifty-two hundred and thirty-six thereof, the Comptroller of the Currency shall have paid to each and every creditor of such association, not including shareholders who are creditors of such association, whose claim or claims as such creditor shall have been proved or allowed as therein prescribed, the full amount of such claims, and all expenses of the receivership and the redemption of the circulating notes of such association shall have been provided for by depositing lawful money of the United States with the Treasurer of the United States, the Comptroller of the Currency shall call a meeting of the shareholders of such association by giving notice thereof for thirty days in a newspaper published in the town, city, or county where the business of such association was carried on, or if no newspaper is there published, in the newspaper published nearest thereto. At such meeting the shareholders shall determine whether the receiver shall be continued and shall wind up the affairs of such association, or whether an agent shall be elected for that purpose, and in so determining the said shareholders shall vote by ballot, in person or by proxy, each share of stock entitling the holder to one vote, and the majority of the stock in value and number of shares shall be necessary to determine whether the said receiver shall be continued, or whether an agent shall be elected. In case such majority shall determine that the said receiver shall be continued, the said receiver shall

thereupon proceed with the execution of his trust, and shall sell, dispose of, or otherwise collect the assets of the said association, and shall possess all the powers and authority, and be subject to all the duties and liabilities originally conferred or imposed upon him by his appointment as such receiver, so far as the same remain applicable. In case the said meeting shall, by the vote of a majority of the stock in value and number of shares, determine that an agent shall be elected, the said meeting shall thereupon proceed to elect an agent, voting by ballot, in person or by proxy, each share of stock entitling the holder to one vote, and the person who shall receive votes representing at least a majority of stock in value and number shall be declared the agent for the purposes hereinafter provided; and whenever any of the shareholders of the association shall, after the election of such agent, have executed and filed a bond to the satisfaction of the Comptroller of the Currency, conditioned for the payment and discharge in full of each and every claim that may thereafter be proved and allowed by and before a competent court, and for the faithful performance of all and singular the duties of such trust, the Comptroller and the receiver shall thereupon transfer and deliver to such agent all the undivided or uncollected or other assets of such association then remaining in the hands or subject to the order and control of said Comptroller and said receiver, or either of them; and for this purpose said Comptroller and said receiver are hereby severally empowered and directed to execute any deed, assignment, transfer, or other instrument in writing that may be necessary and proper; and upon the execution and delivery of such instrument to the said agent the said Comptroller and the said receiver shall by virtue of this act be discharged from any and all liabilities to such association and to each and all the creditors and shareholders thereof.

162. DUTIES OF SHAREHOLDERS' AGENT.—Sec. 3 of the act of June 30, 1876, as amended by acts of August 3, 1892, and March 2, 1897, provides: Upon receiving such deed, assignment, transfer, or other instrument, the person elected such agent shall hold, control, and dispose of the assets and property of such association which he may receive under the terms hereof for the benefit of the shareholders of such association, and he may in his own name, or in the name of such association, sue and be sued and do all other lawful acts and things necessary to finally settle and distribute the assets and property in his hands, and may sell, compromise, or compound the debts due to such association, with the consent and approval of the circuit or district court of the United States for the district where the business of such association was carried on, and shall at the conclusion of his trust render to such district or circuit court a full account of all his proceedings, receipts, and expenditures as such agent, which court shall, upon due notice, settle and adjust such accounts and discharge said agent and the sureties upon said bond. And in case any such agent so elected shall refuse to serve, or die, resign, or be removed, any shareholder may call a meeting of the shareholders of such association in the town, city, or village where the business of the said association was carried on, by giving notice thereof for thirty days in a newspaper published in said town, city, or village, or if no newspaper is there published, in the newspaper published nearest thereto, at which meeting the shareholders shall elect an agent, voting by ballot, in person or by proxy, each share of stock entitling the holder to one vote, and when such agent shall have received votes representing at least a majority of the stock in value and number of shares, and shall have executed a bond to the shareholders conditioned for the faithful performance of his duties, in the penalty fixed by the shareholders

at said meeting, with two sureties, to be approved by a judge of a court of record, and file said bond in the office of the clerk of a court of record in the county where the business of said association was carried on, he shall have all the rights, powers, and duties of the agent first elected as hereinbefore provided. At any meeting held as hereinbefore provided administrators or executors of deceased shareholders may act and sign as the decedent might have done if living, and guardians of minors and trustees of other persons may so act and sign for their ward or wards or cestui que trust. The proceeds of the assets or property of any such association which may be undistributed at the time of such meeting or may be subsequently received shall be distributed as follows:

"First. To pay the expenses of the execution of the trust to the date of such payment.

"Second. To repay any amount or amounts which have been paid in by any shareholder or shareholders of such association upon and by reason of any and all assessments made upon the stock of such association by the order of the Comptroller of the Currency in accordance with the provisions of the statutes of the United States; and

"Third. The balance ratably among such stockholders, in proportion to the number of shares held and owned by each. Such distribution shall be made from time to time as the proceeds shall be received and as shall be deemed advisable by the said Comptroller or said agent."

163. **ILLEGAL PREFERENCE OF CREDITORS.** (SEC. 5242.) Subordinate officers may be appointed by the directors or trustees, and all such officers may be

required to give such security for the faithful performance of the duties of their office as the directors or trustees may require.

210. **BY-LAWS. (SEC. 24.)** That the directors or trustees shall have power to make such by-laws as they deem proper for the management or disposal of the stock and business affairs of such company, not inconsistent with the provisions of this act, and prescribing the duties of officers and servants that may be employed, for the appointment of all officers, and for carrying on all kinds of business within the objects and purposes of such company.

211. **DIRECTORS LIABLE FOR PAYMENT OF UNEARNED DIVIDENDS. (SEC. 25.)** That if the directors or trustees of any company shall declare or pay any dividend, the payment of which would render it insolvent, or which would create a debt against such company, they shall be jointly and severally liable as guarantors for all of the debts of the company then existing, and for all that shall be thereafter contracted, while they shall, respectively, remain in office.

212. **DIRECTORS' LIABILITY MAY BE AVOIDED. (SEC. 26.)** That if any of the directors or trustees shall object to declaring of such dividend or the payment of the same, and shall at any time before the time fixed for the payment thereof file a certificate of their objection in writing with the secretary of the company and with the recorder of deeds of the District they shall be exempt from liability prescribed in the preceding section.

213. **RESPONSIBILITY OF DIRECTORS FOR EXCESS LIABILITIES. (SEC. 27.)** That if the liabilities of any company shall at any time exceed the amount of the fair cash value of the assets, the directors or trustees of such company assenting thereto shall be personally and individually liable for such excess to the creditors of the company after the additional liability of the stockholders has been enforced.

214. **TRUSTEE, ETC., NOT LIABLE ON STOCK ASSESSMENT. (SEC. 28.)** That no person holding stock in such company as executor, administrator, guardian, or trustee shall be personally subject to any liability as stockholder of such company, but the estate and funds in the hands of such executor, administrator, guardian, or trustee shall be liable in like manner and to the same extent as the testator or intestate or the ward or the person interested in such trust fund would have been if he had been living and competent to act and hold the stock in his own name.

215. **INCREASE OF CAPITAL. (SEC. 29.)** That any corporation which may be formed under this chapter may increase its capital stock by complying with the provisions of this chapter to any amount which may be deemed sufficient and proper for the purposes of the corporation.

216. **CERTIFIED COPY OF INCORPORATION CERTIFICATE COMPETENT EVIDENCE. And said court, or any justice thereof, at any time, on application of any person interested, may appoint some suitable person to examine into the affairs and standing of such companies, who shall make a full report thereof to the court, and said court, or any justice thereof, may at any time, in its discretion, require of said company a bond with sureties or other securities for the faithful performance of its obligations, and such sureties or other security shall be liable to the same extent and in the same manner as if given or pledged by a natural person.

220. PROVISIONS FOR AMENDMENT. (SEC. 34.) That Congress may at any time alter, amend, or repeal this act, but any such amendment or repeal shall not, nor shall the dissolution of any company formed under this act, take away or impair any remedy given against such corporation, its stockholders or officers, for any liability or penalty which shall have been previously incurred: *Provided*, That the courts of the District of Columbia shall not have power to appoint any trustee, trustees, guardians, receivers, or other trustee of a fund or property located outside of the District of Columbia, or belonging to a corporation or person having a legal residence or location outside of said District.

|--|--|

221. DESIGNATION AND DUTIES OF PUBLIC DEPOSITARIES. (SEC. 5153.) All national banking associations, designated for that purpose by the Secretary of the Treasury, shall be depositaries of public money, except receipts from customs, under such regulations as may be prescribed by the Secretary; and they may also be employed as financial agents of the Government; and they shall perform all such reasonable duties, as depositaries of public moneys and financial agents of the Government, as may be required of them. The Secretary of the Treasury shall require the associations thus designated to give satisfactory security, by the deposit of United States bonds and otherwise, for the safe-keeping and prompt payment of the public money deposited with them, and for the faithful performance of their duties as financial agents of the Government. And every association so designated as receiver or depositary of the public money shall take and receive at par all of the national currency bills, by whatever association issued, which have been paid into the Government for internal revenue, or for loans or stocks.

222. DEPOSIT AND WITHDRAWAL OF PUBLIC MONEYS. (SEC. 3620.) It shall be the duty of every disbursing officer having any public money intrusted to him for disbursement to deposit the same with the Treasurer or some one of the assistant treasurers of the United States, and to draw for the same only as it may be required for payments to be made by him in pursuance of law; and draw from the same only in favor of the persons to whom payment is made, and all transfers from the Treasurer of the United States to a disbursing officer shall be by draft or warrant on the Treasurer or an assistant treasurer of the United States. In places, however, where there is no Treasurer or assistant treasurer, the Secretary of the Treasury may, when he deems it essential to the public interest, specially authorize in writing the deposit of such public money in any other public depository, or, in writing, authorize the same to be kept in any other manner and under such rules and regulations as he may deem most safe and effectual to facilitate the payments to public creditors.

223. PROVISIONS FOR DEPOSITS BY CERTAIN POSTMASTERS. (SEC. 3847.) Any postmaster, having public money belonging to the Government, at an office within a county where there are no designated depositaries, treasurers of mints, or Treasurer or assistant treasurers of the United States, may deposit the same, at his own risk and in his official capacity, in any national bank in the town, city, or county where the said postmaster resides; but no authority or permission is or shall be given for the demand or receipt by the postmaster, or any other person, of interest, directly or indirectly, on any deposit made as herein described; and every postmaster who makes any such deposit shall report quarterly to the Postmaster-General the name of the bank where such deposits have been made, and also state the amount which may stand at the time to his credit.

**224. PENALTY FOR MISAPPLICATION OF MONEY-ORDER FUNDS.** (SEC. 4046.) Every postmaster, assistant, clerk, or other person employed in or connected with the business or operations of any money-order office who converts to his own use, in any way whatever, or loans, or deposits in any bank, except as authorized by this Title, or exchanges for other funds, any portion of the money-order funds, shall be deemed guilty of embezzlement, and any such person, as well as every other person advising or participating therein, shall, for every such offense, be imprisoned for not less than six months nor more than ten years, and be fined in a sum equal to the amount embezzled; and any failure to pay over or produce any money-order funds intrusted to such person shall be taken to be prima facie evidence of embezzlement; and upon the trial of any indictment against any person for such embezzlement it shall be prima facie evidence of a balance against him to produce a transcript from the money-order account books of the Sixth Auditor. But nothing herein contained shall be construed to prohibit any postmaster depositing, under the direction of the Postmaster-General, in a national bank designated by the Secretary of the Treasury for that purpose, to his own credit as postmaster, any money-order or other funds in his charge, nor prevent his negotiating drafts or other evidences of debt through such bank, or through United States disbursing officer, or otherwise, when instructed or required to do so by the Postmaster-General for the purpose of remitting surplus money-order funds from one post-office to another, to be used in payment of money orders. Disbursing officers of the United States shall issue, under regulations to be prescribed by the Secretary of the Treasury, duplicates of lost checks drawn by them in favor of any postmaster on account of money-order or other public funds received by them from some other postmaster.

**225. PENALTY FOR UNAUTHORIZED DEPOSIT OF PUBLIC MONEY.** (SEC. 5488.) Every disbursing officer of the United States who deposits any public money intrusted to him in any place or in any manner, except as authorized by law, or converts to his own use in any way whatever, or loans with or without interest, or for any purpose not prescribed by law withdraws from the Treasurer or any assistant treasurer, or any authorized depository, or for any purpose not prescribed by law transfers or applies any portion of the public money intrusted to him, is, in every such act, deemed guilty of an embezzlement of the money so deposited, converted, loaned, withdrawn, transferred, or applied; and shall be punished by imprisonment with hard labor for a term not less than one year nor more than ten years, or by a fine of not more than the amount embezzled or less than one thousand dollars, or by both such fine and imprisonment.

**226. PENALTY FOR UNAUTHORIZED RECEIPT OR USE OF PUBLIC MONEY.** (SEC. 5497.) Every banker, broker, or other person not an authorized depository of public moneys, who knowingly receives from any disbursing officer, or collector of internal revenue, or other agent of the United States, any public money on deposit, or by way of loan or accommodation, with or without interest, or otherwise than in payment of a debt against the United States, or who uses, transfers, converts, appropriates, or applies any portion of the public money for any purpose not prescribed by law, and every president, cashier, teller, director, or other officer of any bank or banking association, who violates any of the provisions of this section, is guilty of an act of embezzlement of the public money so deposited, loaned, transferred, used, converted, appropriated, or applied, and shall be punished as prescribed in section fifty-four hundred and eighty-eight.

## CHAPTER ELEVEN.

## MISCELLANEOUS

227. **LEGAL TENDER AND LAWFUL MONEY.**—The following statement concerning the legal-tender properties of money of the United States is based upon United States Revised Statutes, sections 3585, 3586, 3587, 3588, 3589, and 3590, and the acts amendatory thereof and additional thereto:

Gold coin, standard silver dollars, subsidiary silver, minor coins, United States notes, and Treasury notes of 1890 have the legal-tender quality as follows: Gold coin is legal tender for its nominal value when not below the limit of tolerance in weight; when below that limit it is legal tender in proportion to its weight; standard silver dollars and Treasury notes of 1890 are legal tender for all debts, public and private, except where otherwise expressly stipulated in the contract; subsidiary silver is legal tender to the extent of \$10, minor coins to the extent of 25 cents, and United States notes for all debts, public and private, except duties on imports and interest on the public debt. Gold certificates, silver certificates, and national-bank notes are nonlegal-tender money. Both kinds of certificates, however, are receivable for all public dues, and national-bank notes are receivable for all public dues except duties on imports, and may be paid out for all public dues, except interest on the public debt.

The term "lawful money" is understood to apply to every form of money which is endowed by law with the legal-tender quality. (See Opinions of Attorneys-General, vol. 17, p. 123.)

Whenever the stockholders representing three-fourths of the capital of said bank, at a meeting called for that purpose, determine to make such change, the president and cashier shall execute a certificate, under the corporate seal of the bank, specifying such determination, and shall cause the same to be recorded in the office of the Comptroller of the Currency, and thereupon such change of location shall be effected, and the operations of discount and deposit of said bank shall be carried on in the city of Baltimore.*

**SEC. 2.** That nothing in this act contained shall be so construed as in any manner to release the said bank from any liability or affect any action or proceeding in law in which the said bank may be a party or interested. And when such change shall have been determined upon, as aforesaid, notice thereof, and of such change, shall be published in two weekly papers in the city of Annapolis not less than four weeks.

**SEC. 3.** That whenever the location of said bank shall have been changed from the city of Annapolis to the city of Baltimore, in accordance with the first section of this act, its name shall be changed to The Traders' National Bank of Baltimore, if the board of directors of said bank shall accept the new name by resolution of the board, and cause a copy of such resolution, duly authenticated, to be filed with the Comptroller of the Currency.

**SEC. 4.** That all the debts, demands, liabilities, rights, privileges, and powers of The First National Bank of Annapolis shall devolve upon

The Traders' National Bank of Baltimore whenever such change of name is effected.

SEC. 5. That this act shall take effect and be in force from and after its passage.

## CURRENCY ACT, APPROVED MARCH 14, 1900.

An Act To define and fix the standard of value, to maintain the parity of all forms of money issued or coined by the United States, to refund the public debt, and for other purposes.

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,* That the dollar consisting of twenty-five and eight-tenths grains of gold nine-tenths fine, as established by section thirty-five hundred and eleven of the Revised Statutes of the United States, shall be the standard unit of value, and all forms of money issued or coined by the United States shall be maintained at a parity of value with this standard, and it shall be the duty of the Secretary of the Treasury to maintain such parity.

SEC. 2. That United States notes, and Treasury notes issued under the Act of July fourteenth, eighteen hundred and ninety, when presented to the Treasury for redemption, shall be redeemed in gold coin of the standard fixed in the first section of this Act, and in order to secure the prompt and certain redemption of such notes as herein provided it shall be the duty of the Secretary of the Treasury to set apart in the Treasury a reserve fund of one hundred and fifty million dollars in gold coin and bullion, which fund shall be used for such redemption purposes only, and whenever and as often as any of said notes shall be redeemed from said fund it shall be the duty of the Secretary of the Treasury to use said notes so redeemed to restore and maintain such reserve fund in the manner following, to wit: First, by exchanging the notes so redeemed for any gold coin in the general fund of the Treasury; second, by accepting deposits of gold coin at the Treasury or at any subtreasury in exchange for the United States notes so redeemed; third, by procuring gold coin by the use of said notes, in accordance with the provisions of section thirty-seven hundred of the Revised Statutes of the United States. If the Secretary of the Treasury is unable to restore and maintain the gold coin in the reserve fund by the foregoing methods, and the amount of such gold coin and bullion in said fund shall at any time fall below one hundred million dollars, then it shall be his duty to restore the same to the maximum sum of one hundred and fifty million dollars by borrowing money on the credit of the United States, and for the debt thus incurred to issue and sell coupon or registered bonds of the United States, in such form as he may prescribe, in denominations of fifty dollars or any multiple thereof, bearing interest at the rate of not exceeding three per centum per annum, payable quarterly, such bonds to be payable at the pleasure of the United States after one year from the date of their issue, and to be payable, principal and interest, in gold coin of the present standard value, and to be exempt from the payment of all taxes or duties of the United States, as well as from taxation in any form by or under State, municipal, or local authority; and the gold coin received from the sale of said bonds shall first be covered into the general fund of the Treasury and then exchanged, in the manner hereinbefore provided, for an equal amount of the notes redeemed and held for exchange, and the Secretary of the Treasury may, in

his discretion, use said notes in exchange for gold, or to purchase or redeem any bonds of the United States, or for any other lawful purpose the public interests may require, except that they shall not be used to meet deficiencies in the current revenues. That United States notes when redeemed in accordance with the provisions of this section shall be reissued, but shall be held in the reserve fund until exchanged for gold, as herein provided; and the gold coin and bullion in the reserve fund, together with the redeemed notes held for use as provided in this section, shall at no time exceed the maximum sum of one hundred and fifty million dollars.

SEC. 3. That nothing contained in this Act shall be construed to affect the legal-tender quality as now provided by law of the silver dollar, or of any other money coined or issued by the United States.

SEC. 4. That there be established in the Treasury Department, as a part of the office of the Treasurer of the United States, divisions to be designated and known as the division of issue and the division of redemption, to which shall be assigned, respectively, under such regulations as the Secretary of the Treasury may approve, all records and accounts relating to the issue and redemption of United States notes, gold certificates, silver certificates, and currency certificates. There shall be transferred from the accounts of the general fund of the Treasury of the United States, and taken up on the books of said divisions, respectively, accounts relating to the reserve fund for the redemption of United States notes and Treasury notes, the gold coin held against outstanding gold certificates, the United States notes held against outstanding currency certificates, and the silver dollars held against outstanding silver certificates, and each of the funds represented by these accounts shall be used for the redemption of the notes and certificates for which they are respectively pledged, and shall be used for no other purpose, the same being held as trust funds.

SEC. 5. That it shall be the duty of the Secretary of the Treasury, as fast as standard silver dollars are coined under the provisions of the Acts of July fourteenth, eighteen hundred and ninety, and June thirteenth, eighteen hundred and ninety-eight, from bullion purchased under the Act of July fourteenth, eighteen hundred and ninety, to retire and cancel an equal amount of Treasury notes whenever received into the Treasury, either by exchange in accordance with the provisions of this Act or in the ordinary course of business, and upon the cancellation of Treasury notes silver certificates shall be issued against the silver dollars so coined.

SEC. 6. That the Secretary of the Treasury is hereby authorized and directed to receive deposits of gold coin with the Treasurer or any assistant treasurer of the United States in sums of not less than twenty dollars, and to issue gold certificates therefor in denominations of not less than twenty dollars, and the coin so deposited shall be retained in the Treasury and held for the payment of such certificates on demand, and used for no other purpose. Such certificates shall be receivable for customs, taxes, and all public dues, and when so received may be reissued, and when held by any national banking association may be counted as a part of its lawful reserve: *Provided*, That whenever and so long as the gold coin held in the reserve fund in the Treasury for the redemption of United States notes and Treasury notes shall fall and remain below one hundred million dollars the authority to issue certificates as herein provided shall be suspended: *And provided fur-*

*ther*, That whenever and so long as the aggregate amount of United States notes and silver certificates in the general fund of the Treasury shall exceed sixty million dollars the Secretary of the Treasury may, in his discretion, suspend the issue of the certificates herein provided for: *And provided further*, That of the amount of such outstanding certificates one-fourth at least shall be in denominations of fifty dollars or less: *And provided further*, That the Secretary of the Treasury may, in his discretion, issue such certificates in denominations of ten thousand dollars, payable to order. And section fifty-one hundred and ninety-three of the Revised Statutes of the United States is hereby repealed.

SEC. 7. That hereafter silver certificates shall be issued only of denominations of ten dollars and under, except that not exceeding in the aggregate ten per centum of the total volume of said certificates, in the discretion of the Secretary of the Treasury, may be issued in denominations of twenty dollars, fifty dollars, and one hundred dollars; and silver certificates of higher denomination than ten dollars, except as herein provided, shall, whenever received at the Treasury or redeemed, be retired and canceled, and certificates of denominations of ten dollars or less shall be substituted therefor, and after such substitution, in whole or in part, a like volume of United States notes of less denomination than ten dollars shall from time to time be retired and canceled, and notes of denominations of ten dollars and upward shall be reissued in substitution therefor, with like qualities and restrictions as those retired and canceled.

SEC. 8. That the Secretary of the Treasury is hereby authorized to use, at his discretion, any silver bullion in the Treasury of the United States purchased under the Act of July fourteenth, eighteen hundred and ninety, for coinage into such denominations of subsidiary silver coin as may be necessary to meet the public requirements for such coin: *Provided*, That the amount of subsidiary silver coin outstanding shall not at any time exceed in the aggregate one hundred millions of dollars. Whenever any silver bullion purchased under the Act of July fourteenth, eighteen hundred and ninety, shall be used in the coinage of subsidiary silver coin, an amount of Treasury notes issued under said Act equal to the cost of the bullion contained in such coin shall be canceled and not reissued.

SEC. 9. That the Secretary of the Treasury is hereby authorized and directed to cause all worn and uncurrent subsidiary silver coin of the United States now in the Treasury, and hereafter received, to be recoined, and to reimburse the Treasurer of the United States for the difference between the nominal or face value of such coin and the amount the same will produce in new coin from any moneys in the Treasury not otherwise appropriated.

SEC. 10. That section fifty-one hundred and thirty-eight of the Revised Statutes is hereby amended so as to read as follows:

“Section 5138. No association shall be organized with a less capital than one hundred thousand dollars, except that banks with a capital of not less than fifty thousand dollars may, with the approval of the Secretary of the Treasury, be organized in any place the population of which does not exceed six thousand inhabitants, and except that banks with a capital of not less than twenty-five thousand dollars may, with the sanction of the Secretary of the Treasury, be organized in any place the population of which does not exceed three thousand

inhabitants. No association shall be organized in a city the population of which exceeds fifty thousand persons with a capital of less than two hundred thousand dollars."

SEC. 11. That the Secretary of the Treasury is hereby authorized to receive at the Treasury any of the outstanding bonds of the United States bearing interest at five per centum per annum, payable February first, nineteen hundred and four, and any bonds of the United States bearing interest at four per centum per annum, payable July first, nineteen hundred and seven, and any bonds of the United States bearing interest at three per centum per annum, payable August first, nineteen hundred and eight, and to issue in exchange therefor an equal amount of coupon or registered bonds of the United States in such form as he may prescribe, in denominations of fifty dollars or any multiple thereof, bearing interest at the rate of two per centum per annum, payable quarterly, such bonds to be payable at the pleasure of the United States after thirty years from the date of their issue, and said bonds to be payable, principal and interest, in gold coin of the present standard value, and to be exempt from the payment of all taxes or duties of the United States, as well as from taxation in any form by or under State, municipal, or local authority: *Provided*, That such outstanding bonds may be received in exchange at a valuation not greater than their present worth to yield an income of two and one-quarter per centum per annum; and in consideration of the reduction of interest effected, the Secretary of the Treasury is authorized to pay to the holders of the outstanding bonds surrendered for exchange, out of any money in the Treasury not otherwise appropriated, a sum not greater than the difference between their present worth, computed as aforesaid, and their par value, and the payments to be made hereunder shall be held to be payments on account of the sinking fund created by section thirty-six hundred and ninety-four of the Revised Statutes: *And provided further*, That the two per centum bonds to be issued under the provisions of this Act shall be issued at not less than par, and they shall be numbered consecutively in the order of their issue, and when payment is made the last numbers issued shall be first paid, and this order shall be followed until all the bonds are paid, and whenever any of the outstanding bonds are called for payment interest thereon shall cease three months after such call; and there is hereby appropriated out of any money in the Treasury not otherwise appropriated, to effect the exchanges of bonds provided for in this Act, a sum not exceeding one-fifteenth of one per centum of the face value of said bonds, to pay the expense of preparing and issuing the same and other expenses incident thereto.

SEC. 12. That upon the deposit with the Treasurer of the United States, by any national banking association, of any bonds of the United States in the manner provided by existing law, such association shall be entitled to receive from the Comptroller of the Currency circulating notes in blank, registered and countersigned as provided by law, equal in amount to the par value of the bonds so deposited; and any national banking association now having bonds on deposit for the security of circulating notes, and upon which an amount of circulating notes has been issued less than the par value of the bonds, shall be entitled, upon due application to the Comptroller of the Currency, to receive additional circulating notes in blank to an amount which will increase the circulating notes held by such association to the par value of the bonds

deposited, such additional notes to be held and treated in the same way as circulating notes of national banking associations heretofore issued, and subject to all the provisions of law affecting such notes: *Provided*, That nothing herein contained shall be construed to modify or repeal the provisions of section fifty-one hundred and sixty-seven of the Revised Statutes of the United States, authorizing the Comptroller of the Currency to require additional deposits of bonds or of lawful money in case the market value of the bonds held to secure the circulating notes shall fall below the par value of the circulating notes outstanding for which such bonds may be deposited as security: *And provided further*, That the circulating notes furnished to national banking associations under the provisions of this Act shall be of the denominations prescribed by law, except that no national banking association shall, after the passage of this Act, be entitled to receive from the Comptroller of the Currency, or to issue or reissue or place in circulation, more than one-third in amount of its circulating notes of the denomination of five dollars: *And provided further*, That the total amount of such notes issued to any such association may equal at any time but shall not exceed the amount at such time of its capital stock actually paid in: *And provided further*, That under regulations to be prescribed by the Secretary of the Treasury any national banking association may substitute the two per centum bonds issued under the provisions of this Act for any of the bonds deposited with the Treasurer to secure circulation or to secure deposits of public money; and so much of an Act entitled "An Act to enable national banking associations to extend their corporate existence, and for other purposes," approved July twelfth, eighteen hundred and eighty-two, as prohibits any national bank which makes any deposit of lawful money in order to withdraw its circulating notes from receiving any increase of its circulation for the period of six months from the time it made such deposit of lawful money for the purpose aforesaid, is hereby repealed, and all other Acts or parts of Acts inconsistent with the provisions of this section are hereby repealed.

SEC. 13. That every national banking association having on deposit, as provided by law, bonds of the United States bearing interest at the rate of two per centum per annum, issued under the provisions of this Act, to secure its circulating notes, shall pay to the Treasurer of the United States, in the months of January and July, a tax of one-fourth of one per centum each half year upon the average amount of such of its notes in circulation as are based upon the deposit of said two per centum bonds; and such taxes shall be in lieu of existing taxes on its notes in circulation imposed by section fifty-two hundred and fourteen of the Revised Statutes.

SEC. 14. That the provisions of this Act are not intended to preclude the accomplishment of international bimetalism whenever conditions shall make it expedient and practicable to secure the same by concurrent action of the leading commercial nations of the world and at a ratio which shall insure permanence of relative value between gold and silver.
